24. The Committee shall disregard any information given by a party or by any person to whom permission to appear at the hearing is given by the Committee, which is not relevant to:

25. The Committee will return to announce its decision. A written notice of the decision will be provided to all parties in accordance with statutory requirements. The decision letter will include the reasons for the decision, and any conditions placed upon the licence (if granted) and the licensing objective(s) they relate to. The notification of decision will include information on a party's right to appeal against the Committee's decision.

## **General Matters**

### **1. Expectations on parties**

The Licensing Authority expects all parties to a hearing to endeavour to address any issues openly and to work towards an amicable resolution, if at all possible, prior to the hearing taking place.

All parties will be expected to:

- (i) demonstrate which of the four licensing objectives are addressed in relation to each of the issues they wish to raise at the hearing; and
- (ii) draw to the Committee's attention any relevant aspects of the National Guidance or local Statement of Licensing Policy which they also consider are particularly relevant to the Committee's consideration of the issues the party(ies) has/have raised.

### **2. Agreement that a hearing is unnecessary**

A Licensing Authority can dispense with holding a hearing if all persons concerned (applicants and parties raising a representation) give notice to the Licensing Authority prior to the hearing date that they consider it unnecessary.

Where all such persons have given such notice, and the Licensing Authority agrees that a hearing is unnecessary, the Licensing Authority will give notice to the parties that the hearing has been dispensed with.

### **3. Failure of parties to attend**

The hearing may proceed in the absence of any party who has informed the Licensing Authority that they do not intend to attend or be represented at the hearing.

If a party fails to attend or be represented at a hearing without notifying the Licensing Authority, the Committee may adjourn the hearing to a specific date if it considers it to be in the public interest to do so, or alternatively may proceed with the hearing in the party's absence. In the interests of the other parties, costs and efficiency, hearings will generally proceed notwithstanding the absence of any party (including the Applicant).

Where it is decided to proceed in a party's absence, all notices and representations received from the absent party will be considered by the Committee.

If, in exceptional circumstances, a decision is made to adjourn a hearing all parties will be advised of the date, time and venue to which the hearing has been adjourned.

### **4. Questioning of parties**

The Licensing Authority will generally allow all parties to ask questions of another party present, but this decision will be taken on a case by case basis and in some exceptional circumstances (a reason will be given) cross examination may be prohibited.

5. **Further clarification**  
When addressing the Committee each party shall respond specifically to any points of which it received notice (with the Notice of Hearing) upon which the Committee was seeking clarification.
6. **Questioning by Legal Adviser**  
The legal adviser to the Committee may ask questions on behalf of, or in addition to, the Committee members themselves.
7. **Hearsay evidence**  
Hearsay evidence will be admissible provided that it is relevant. The weight to be attributed to hearsay evidence will be a matter for the Committee.
8. **Persons behaving in a disruptive manner**  
The Committee has the right to exclude any person disrupting the hearing, at their discretion. The Committee can refuse to allow that person to return or, alternatively, may permit him/her to return on such conditions as the Committee may decide. Any person required to leave the hearing may, before the end of the hearing, submit to the Committee in writing any information which they would have been entitled to give orally had they not been required to leave.
9. **No decision-making by Ward Members**  
A member of the Licensing Committee shall not be entitled to participate in any decision-making in relation to any licensing application concerning premises in the Ward for which he/she serves as Councillor.

Dear Sir/Madam,

**APPLICATION FOR A VARIATION OF THE LICENCE AT MAHATTANS, 87  
HIGH STREET WEST, WALLSEND, NE28 8JD.**

Premises licence number OOCK/18/0476  
Premises licence holder Copenhagen 1801 Ltd.

Manhattans is situated on Wallsend High Street in close proximity to other night time economy premises. Within easy walk are other bars, restaurants and fast food take aways. Manhattans is the only premises with a late licence to supply alcohol until 02:00 hours.

The uniformed police have been called to this premise on many occasions recently and historically with Officers responding to calls to the premises during and after the closing times. The crimes associated with this premises are various. Please see attached document for the crime/s and incidents breakdown for the period Jan 2018 to date of this document.

An email was received by Mr Kirkpatrick Licensing officer for the Police, from Sinton's Solicitors in June 2019, outlining a proposal from their client to extend the operating hours of manhattans until 03:00 hours closing at 03:30 hours.

A reply was sent indicating the police could not support any further extension to the licensable activity.

May I request the committee to have regard for Guidance issued under section 182 (April 2017) of the Licensing Act 2003 section 10.23. This is primarily a vertical drinking establishment it is the premise where people congregate to in Wallsend as a late night venue, such establishments can have a significant bearing on the likelihood for crime and disorder.

Manhattans current licensable activity:

- Every day from 11:00 to 02:00 hours, closing at 02:00 hours.

Manhattans requested all licensable activity:

- Sunday to Thursday from 11:00 to 02:00 hours, closing at 02:30 hours.
- Friday and Saturday from 11:00 to 03:00 hours, closing at 03:30 hours.

The extension of all licensable activity to 03:00 hours Friday and Saturday will exacerbate the situation, any further extension will increase the crime and disorder and the cumulative impact on the wider area of the High street in Wallsend. The extension of the times will have further impact on the community of Wallsend. The amount of people coming out of Manhattans will increase alcohol related crime and disorder. At present there is a trend on the High street that sees the crime and disorder rise as the week end approaches.

The reoccurring crimes associated with Manhattans are violence against the person, the crimes range from a Sec 18 assault to common assault. Drunk and disorderly to public order Sec 4 and 5 offences.

At present the majority of the premises on the high street close between midnight and 00:30 hours during the week, and 01:00 to 01:30 hours at weekends. If Manhattans has an even later licence, this area of the High street would have a further increase in alcohol related crime and disorder.

May I request the committee to have a regard for North Tyneside councils statement of licensing policy section 5.29. The council is aware that there is no general presumption in favour of lengthening licensing hours under the Licensing Act 2003

May I request the committee to have a regard for North Tyneside councils statement of licensing policy section 10.1 In considering any licence applications before it, the council shall have regard to Section 17 of the Crime and Disorder Act 1988 which requires a local authority to do all that it reasonably can to prevent crime and disorder in its locality.

The fact that the Premises are already operating as licensed premises and have a "track record" this is often, the best indicator for what will happen at premises in the future, is what has occurred at premises in the past. In April 2018, the Licensing sub- committee heard that the crime and disorder since March 2017, which is when the applicant took over responsibility for premises, up to May 2018 there have been 63 recorded crimes, the majority of which involved violence.

During an incident on Friday night into Saturday morning of the 03 August 2019 at 02:11 hours, police stopped to request a group of people standing in the road outside Manhattans to move back onto the pavement, a male was verbally abusive to an officer. The male was drunk and became very aggressive towards the officers who were trying to arrest him, the officers requested assistance as the crowd had formed around the officers and felt

threatened. As additional officers arrived, a further 4 people were arrested for being drunk and disorderly. The officer who was dealing with the above incident commented in an email to Insp Story Neighbourhood Inspector for Wallsend, "this is a regular occurring theme with large groups of drunken people exiting Manhattans; the staff close the doors and leave to the police to deal with the mess". A DVD will follow this document. It's about 2 minutes viewing time.

Northumbria Police could not support the application for the further extension of licensable activity

It is the request of Northumbria police that the application to vary the premises licence application for Manhattans is refused.

Yours Sincerely
