LICENSING ACT 2003

NORTH TYNESIDE COUNCIL

PROCEDURE FOR VIRTUAL HEARING OF AN APPLICATION BEFORE THE LICENSING SUB-COMMITTEE (“the Committee”)

The four licensing objectives, as set out in the Licensing Act 2003, are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm.

Each application that comes before this Committee will be treated on its own merits, and this Licensing Authority will take its decision based upon:

- The merits of the application
- The promotion of the four licensing objectives
- The Statement of Licensing Policy of North Tyneside Council
- The guidance issued under Section 182 of the Licensing Act 2003.

The Procedure of the Committee is as follows:

1. The Chair of the Committee will open the hearing and will ask all persons involved in the hearing to identify themselves in turn. The Chair will then explain the procedure to be followed at the hearing.
2. The Committee will then consider any request made by a party under regulation 8(2) of the Licensing Act 2003 (Hearings) Regulations 2005 for permission for a person to participate as a witness on his/her behalf.
3. The Licensing Officer will present a report to the Committee outlining the application, any relevant representations and the relevant sections of the Council’s Statement of Licensing Policy and the statutory guidance.
4. The Members of the Committee may ask any relevant questions they have of the Licensing Officer.
5. The Applicant will then be invited to address the Committee to clarify any information arising from the officer’s report, if necessary.
6. Any of the Other Persons may ask any relevant questions they have of the Licensing Officer.
7. Each of the Other Persons who have made representations will be invited to address the Committee about the application, indicating why they consider the issues they

have raised to be relevant to the licensing objectives and sufficient to object to the application or notice (as applicable).

If any Other Person has obtained prior permission to call a particular witness, then they may call that witness.

Note: In order to avoid repetition and to expedite proceedings at the hearing, objectors within the same group of Other Persons are encouraged to appoint an agreed spokesperson to address the Committee.

8. The Committee may ask any relevant questions they have of the Other Persons or their witness(es).
9. The Applicant may ask any relevant questions of the Other Persons or their witness(es).
10. The Applicant will be invited to address the Committee, in relation to their application. If the Applicant has obtained prior permission to call a particular witness, then they may call that witness.
11. The Committee may ask any relevant questions they have of the Applicant or their witness(es)
12. The Chair will invite each of the Other Persons to make a brief closing statement. Each of the Other Persons will be entitled to a maximum of 10 minutes in which to make their closing statements.
13. The Chair will invite the Applicant to make a brief closing statement, ideally taking no longer than 10 minutes.
14. The Chair will ask all parties if they are satisfied that they have said all they wish to.
15. The Committee will retire in private to consider the application and make its determination. The Legal Adviser will be present to ensure that all matters of law, evidence and procedure are adhered to appropriately but will not take part in the decision.
16. In considering any representations or a notice made by any party, the Committee may take into account documentary or other information produced by a party in support of their application, representations or notice (as the case may be) either before the hearing or, with the consent of all the other parties, at the hearing.
17. The Committee shall disregard any information given by a party or by any person to whom permission to appear at the hearing is given by the Committee, which is not relevant to:
 - (i) their application, representations or a notice (as the case may be) or, in the case of another person, the application, representations or notice of the party requesting their attendance; and

- (ii) the promotion of the licensing objectives or, in relation to a hearing to consider a notice given by a chief officer of police, the prevention of crime and disorder licensing objective.

NB Parties are reminded that any documentary or other information or evidence they wish to produce in support of their application or representation must have been disclosed to all parties prior to the hearing taking place. **Late representations, documents or evidence will only be considered with the agreement of all parties present.**

- 18. A written notice of the decision will be provided to all parties in accordance with statutory requirements. The decision letter will include the reasons for the decision, and any conditions placed upon the licence (if granted) and the licensing objective(s) they relate to. The notification of decision will include information on a party's right to appeal against the Committee's decision.

General Matters

1. Expectations on parties

The Licensing Authority expects all parties to a hearing to endeavour to address any issues openly and to work towards an amicable resolution, if at all possible, prior to the hearing taking place.

All parties will be expected to:

- (i) demonstrate which of the four licensing objectives are addressed in relation to each of the issues they wish to raise at the hearing; and
- (ii) draw to the Committee's attention any relevant aspects of the National Guidance or local Statement of Licensing Policy which they also consider are particularly relevant to the Committee's consideration of the issues the party(ies) has/have raised.

2. Agreement that a hearing is unnecessary

A Licensing Authority can dispense with holding a hearing if all persons concerned (applicants and parties raising a representation) give notice to the Licensing Authority prior to the hearing date that they consider it unnecessary.

Where all such persons have given such notice, and the Licensing Authority agrees that a hearing is unnecessary, the Licensing Authority will give notice to the parties that the hearing has been dispensed with.

3. Failure of parties to attend

The hearing may proceed in the absence of any party who has informed the Licensing Authority that they do not intend to attend or be represented at the virtual hearing.

If a party fails to attend or be represented at a virtual hearing without notifying the Licensing Authority, the Committee may adjourn the hearing to a specific date if it considers it to be in the public interest to do so, or alternatively may proceed with the hearing in the party's absence. In the interests of the other parties, costs and

efficiency, hearings will generally proceed notwithstanding the absence of any party (including the Applicant).

Where it is decided to proceed in a party's absence, all notices and representations received from the absent party will be considered by the Committee.

If, in exceptional circumstances, a decision is made to adjourn a hearing all parties will be advised of the date, time and venue (if any) to which the hearing has been adjourned.

4. **Questioning of parties**

The Licensing Authority will generally allow all parties to ask questions of another party present, but this decision will be taken on a case by case basis and in some exceptional circumstances (a reason will be given) cross examination may be prohibited.

5. **Further clarification**

When addressing the Committee each party shall respond specifically to any points of which it received notice (with the Notice of Hearing) upon which the Committee was seeking clarification.

6. **Questioning by Legal Adviser**

The legal adviser to the Committee may ask questions on behalf of, or in addition to, the Committee members themselves.

7. **Hearsay evidence**

Hearsay evidence will be admissible provided that it is relevant. The weight to be attributed to hearsay evidence will be a matter for the Committee.

8. **Persons behaving in a disruptive manner**

The Committee has the right to exclude any person disrupting the hearing, at their discretion. The Committee can refuse to allow that person to return or, alternatively, may permit him/her to return on such conditions as the Committee may decide. Any person required to leave the hearing may, before the end of the hearing, submit to the Committee in writing any information which they would have been entitled to give orally had they not been required to leave.

9. **No decision-making by Ward Members**

A member of the Licensing Committee shall not be entitled to participate in any decision-making in relation to any licensing application concerning premises in the Ward for which he/she serves as Councillor.

1.0 Summary / Purpose of Report

1.1 Licensing Sub-Committee

The Licensing Act 2003 provides that, where representations have been received from a Responsible Authority or Other Persons in respect of an application for a Premises Licence a hearing must be held to consider them. Sub-Committees have been established in accordance with provisions of the Act for the purpose of hearing such applications.

1.2 The Sub-Committee is asked to consider and determine the application from Mr Stephen Minns and Mr Neil McWhirter.

1.3 The applicants have been invited to attend the meeting in support of the application. All persons making relevant representations have also been invited to attend.

1.4 Representations from Responsible Authorities and Other Persons

The application has been forwarded to the Chief Officer of Police, Fire Authority, Local Planning Authority, Environmental Health Authority, Health and Safety Enforcement Agency, Licensing Authority, Director of Public Health, Weights and Measures Authority and the Local Safeguarding Children Board with a view to any of these Responsible Authorities inspecting the premises if deemed appropriate by them and to enable them to comment on the application. The application has been advertised at the premises, in a local newspaper and on the Council Website as prescribed.

Representations have been received from Other Persons. These are attached at **Appendix 5**.

1.5 Authority to make decisions

In relation to an application for the grant of a Premises Licence the Licensing Sub-Committee can, under the Licensing Act 2003:

- grant a Licence subject to conditions consistent with the operating schedule and appropriate for the promotion of the licensing objectives in addition to the mandatory conditions
- exclude from the scope of the Licence any of the licensable activities to which the application relates,
- refuse to specify a person in the licence as premises supervisor
- or reject the application

Once the Sub-Committee has reached a decision, the decision and reasons for the decision must be given in accordance with the **Licensing Act 2003 and the Licensing Act 2003 (Hearings) Regulations 2005**.

2.0 Background

2.1 This report relates to an application for a New Premise Licence in respect of Mr Stephen Minns and Mr Neil McWhirter.

A copy of the application form is attached at **Appendix 1**, a plan of the premises is attached at **Appendix 2** and a map of the area is attached at **Appendix 3**.

3.0 The Application for the Grant of a Premises Licence under Section 17 of The Licensing Act 2003

3.1 The Application for Grant of the Premises Licence is made pursuant to Section 17 of the Licensing Act 2003 and the relevant Section of the Act dealing with the determination of such an Application is contained in Section 18 of the Act.

The application for a premise licence is as follows:

1. To permit **Supply of Alcohol** (on the premises)
 - Every Day From 10:30 until 20:00 **(On Sales)**
2. **General Opening Times** as follows:
 - Every Day From 10:30 until 20:00

The Licence if granted will be subject to Mandatory Conditions which are attached at **Appendix 4** of the report.

The Sub-Committee's attention is drawn to the relevant part of the Policy – Sections 10.1 – 10.5 Crime and Disorder. Further to this the premises are situated within the cumulative impact area of Tynemouth as defined in the Cumulative Impact Assessment and referenced at section 13.3 of the Statement of Licensing Policy. It should be noted that the Policy relates to alcohol led licensed premises, where alcohol is consumed on the premises. The effect of the Cumulative Impact Policy is that there is a rebuttable presumption that an application for a premises licence in the areas referred to in the Cumulative Impact Assessment will be refused. To rebut that presumption, the applicant will need to demonstrate that granting the licence will be unlikely to add to the cumulative impact caused by the number and density of licensed premises in the area of the premises.

Provide a general description of the premises

Continued from previous page...

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off- supplies you must include a description of where the place will be and its proximity to the premises.

The premises is a long-established 7-bedroom Georgian guest house on Front Street in Tynemouth village incorporating a traditional tea room / garden. The tea room, garden and coffee lounge are open to the general public for the sale of refreshments. The tea room contains 7 tables with a further 10 tables in the garden. The lounge can accommodate a maximum of 10 people depending on the seating arrangement. Access to the guesthouse and tea room is by the main door which opens directly on to Front Street and also serves as the primary fire exit for both guests staying at the property and tea room customers. There is also a separate fire exit from the garden which leads up an alleyway directly on to Front Street. The lounge is at the front of the property and the tea room is on a lower ground floor (8 steps down) at the rear of the property and this opens out on to the garden. There is a customer WC situated within the tea room and the staff kitchen is at the rear of the property. This includes the usual kitchen appliances but we do not have any deep fat fryers. Guest rooms and our own private quarters (we live on site) are located above the ground floor on several landings.

The tea room doubles up as a breakfast room for guests staying at the property and because of this the tea room only opens after our breakfast service has finished. Similarly, as our main business is a guest house, the tea room would not be open beyond early evening.

Food is prepared in the kitchen and we operate a table service only to both indoor and outdoor areas (this was our established way of working prior to the Covid pandemic). Our intention is to continue trading as a Tea Room but we would like to complement our offering with a premises licence. This would allow us to serve bottles of prosecco or Champagne, a glass of wine or a gin & tonic with our Afternoon Teas and bottles of beer or ales alongside our food offerings. In the Winter months we would anticipate serving hot chocolates with Baileys or similar and mulled wine. We wish to offer the sale of alcoholic beverages as a complement to our food offerings only and not in isolation i.e. we do not anticipate being a place to visit for drinks only as there are plenty of other establishments in the area offering this and we do not want to detract from the main focus of the business as a traditional family-friendly tea room.

From time to time we use our premises for smaller private functions e.g. funeral wakes, anniversary or birthday parties and we would like to be able to supply alcoholic beverages on these occasions too.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We have an established team within the business and we will ensure that there are always sufficient competent staff on the premises whenever this is being used for the licensable activity. Staff will be trained in their responsibilities with regard to the sale of alcohol, particularly regarding drunkenness and underage persons. We will keep a record of staff training and refresher courses.

b) The prevention of crime and disorder

We have CCTV throughout the public areas of the property and we are currently in the process of having a more modern system installed. Any incidents of a criminal nature will be recorded in a log book and reported to the police with photographic evidence or CCTV footage available.

c) Public safety

Fire safety checks are carried out each week and appropriate measures are in place i.e. smoke detectors, emergency lighting and fire doors etc. Fire exits are clearly marked and waste is stored in a bin store away from public access. The hallway which is the main fire escape route is kept clear of obstructions as is the alleyway leading from the garden. Fire extinguishers and fire alarms are located throughout the building on all floors.

d) The prevention of public nuisance

We will ensure that all customers are asked to leave quietly and to respect our neighbours. We will also display notices to this effect asking customers to be mindful of our neighbours. The alleyway from the garden is only used in emergencies so customers will only enter / leave the building through the front door which will be monitored by CCTV and is also clearly visible to staff in the kitchen. A monitor is also positioned in the kitchen for the use of staff.

e) The protection of children from harm

We will display Challenge 25 posters on the premises. Staff serving alcohol will be trained to ask anyone appearing to be under 25 to produce photographic ID such as a card bearing the PASS hologram, passport or photographic driver's licence. We will train staff on underage sales prevention and will maintain a register of refused sales on the premises.

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

EXTRNL

Dear Sirs,

I wish to inform you of my **objection** to the above application. I feel it will add to the overall drinking in Tynemouth Cumulative Impact Area. It all sounds very nice but selling bottles of Champagne or Prosecco in the outdoor area in the summer will add to the noise level at weekends. At present Mr Minns and Mr McWhirter operate the tea rooms only on a Saturday and Sunday closing late afternoon, and have never operated it during the week since becoming the Tenants of No 61 yet I note the desire to operate a license 7 days a week until 20.00 hrs. This represents a substantial increase in working hours from present from perhaps 14 hours a week to 66.5 hours a week. I have severe reservations about their ability to run the Guest House and also supervise the consumption of alcohol. I would also take issue with the description of the premises. The so called emergency exit via the back garden gate is not only used in an emergency but is also often used as an easy access for pushchairs bikes etc. Today (Saturday 9th October) for example I was disturbed by several groups of people leaving 61 via the back gate, there was some noise even without the social lubricant that alcohol is. If they had consumed perhaps a modest half bottle of Prosecco the noise level would have intolerable.

No 61 is surrounded by residential properties. Please take residents wishes into account.

Yours faithfully
