L2/22 Appointment of Substitutes

There were no Substitute Members reported.

L3/22 Declarations Of Interest and Dispensations

L4/22 Cumulative Impact Assessment - Park View and Fish Quay

Consideration was given to a report on a potential variation of the Authority's Cumulative Impact Assessment (CIA) to include Park View, Whitley Bay and/or the Fish Quay, North Shields.

At its meeting held on 7 October 2021 (minute L5/21 refers) the Committee had considered the consultation responses in relation to the review of the CIA and agreed that it remained of the view that no further licences for alcohol led premises should be granted in relation to premises in the South Parade area of Whitley Bay and the area around Front Street, Tynemouth. It also acknowledged that there did not appear to be sufficient evidence to warrant the inclusion of Park View or the Fish Quay in the CIA and requested that officers gather evidence in relation to both areas to allow the Committee to determine whether to consult on the inclusion or either or both of the areas in the CIA.

A report was presented to the Committee on the 31 March 2022 (Minute L12/21 refers) which set out the evidence that had been collected in relation to Park View and the Fish Quay. The Committee considered that further data was required which included the summer months.

In relation to the North Shields Fish Quay consideration was given to the information provided by Northumbria Police in respect of violent crime and anti-social behaviour. From the information available the police had concluded that neither the night-time economy nor licensed premises had had an adverse effect on crime and anti-social behaviour levels. It

was explained that crime and anti-social behaviour in the Fish Quay area only accounted for 0.6% of all recorded crimes in the North Shields Area. It was also explained that during the same period several licensing inspections had taken place in the area and no issues of concerns had been identified. The Environmental Health Department had also provided data for consideration and confirmed that there had been one complaint of excessive noise received in relation to the area.

In relation to Park View, Whitley Bay Northumbria Police had provided information in relation to violent crime and anti-social behaviour for the period January to August 2022 along with historical data from 2018 to 2021. It was explained that shoplifting had been the main criminal activity in the area, violence and anti-social behaviour had only accounted for 0.3% of all crime in the Whitley Bay area. The Police had therefore concluded that neither the night-time economy nor licensed premises in the area had had an adverse effect on crime and anti-social behaviour levels in the area. The Environmental Health Department had confirmed that it had received two complaints in relation to excessive noise in the area and Licensing Officers had carried out several licensing visits to the area which had not identified any areas of concern.

In view of the above the Committee concluded that there was currently insufficient evidence of crime and disorder linked to licensed premises in either area to warrant the commencement of a consultation exercise on their inclusion in an updated CIA. It was noted that the CIA was reviewed on a regular basis and should there be a change in levels of crime and disorder in either or both areas then consideration could be given to an amendment to the CIA.

Resolved that (1) the evidence in relation Park View, Whitley Bay and the Fish Quay, North Shield be noted; and
(2) No further action be taken in relation to undertaking a review of the CIA at this time

 - The system will be in operation whenever licensable activities are taking place at the Premises.

2. 3. All persons responsible for the sale of alcohol will receive training in relation to their duties and responsibilities under the Licensing Act 2003 (or replacement legislation) including the use of a "Challenge 25 Policy" and generally on the Act before being permitted to sell alcohol at the Premises. 8. A Refusals Register (electronic or paper based) is to be kept at the Premises at all times and must be kept up to date. The Register will detail all challenges made to customers as to their age when attempting to purchase alcohol or any other age restricted product and the reason for any refusal recorded in the register. 9. The Premises Licence Holder will ensure that there are at least 2 members of staff present at the Premises available to serve customers whenever licensable activities are taking place at the Premises.

Reasons for Decision:

- The Sub-committee was satisfied that there had been two underage sales of age restricted products at the premises without the customers being challenged as to their age which demonstrated that the Prevention of Crime and Disorder and the Protection of Children from Harm licensing objectives had not been enforced;
- The Sub-committee noted the steps taken by the Premises Licence Holder to prevent future underage sales of age related products;

PART 2 – COMPLIANCE WITH PRINCIPLES OF DECISION MAKING

2.1 Finance and Other Resources:

There are no financial implications for the Council arising from this report. The cost of collating the data can be met from the existing Licensing revenue budget.

2.2 Legal

2.2.1 Legislative Framework

Part 2 Section 10(1)(b) of the Licensing Act 2003 provides that a Licensing Committee may arrange for the discharge of any functions exercisable by it by an officer of the licensing authority.

Part 8 Section 154 of the Gambling Act 2005 is the enabling power for delegation of responsibility for licensing decisions under that Act to the Licensing Committee, Sub-Committee and officers.

2.2.2 North Tyneside Council's Statement of Licensing Policy

A scheme of delegation of decision making and functions is attached to the North Tyneside Council Statement of Licensing (Licensing Act 2003) and to the North Tyneside Council Statement of Licensing (Gambling Act 2005), (**Appendix 1 and 2**).

2.2.3 Principles of Better Regulation

The Licensing Act 2003 and Gambling Act 2005 are specified in The Legislative and Regulatory Reform (Regulatory Functions) Order 2007. As a result, Part 2 of the

Legislative and Regulatory Reform Act 2006 applies. The Council must therefore have regard to the prescribed statutory principles by ensuring that its regulatory activities are carried out in a way which is transparent, accountable, proportionate and consistent. In addition, those regulatory activities should be targeted only at cases in which action is needed.

2.3 Consultation/Community Engagement:

A comprehensive 12 week public consultation exercise took place prior the adoption of the North Tyneside Council Statement of Licensing (Licensing Act 2003) and to the North Tyneside Council Statement of Licensing (Gambling Act 2005).

2.4 Human Rights:

The economic interests connected to the use of a licence may be considered to be a possession belonging to existing licensees and as such are afforded protection under Article 1 of Protocol 1 of the European Convention on Human Rights. Any decisions therefore made in relation to a licence application need to be fully considered. An individual also has the right to a fair hearing under Article 6 of the European Convention of Human Rights. The proposed procedure will assist in ensuring that a fair hearing does take place.

2.5 Equalities and Diversity:

There are no equality and diversity implications arising from this report.

2.6 Risk Management:

There are no significant risk management implications to the Council arising from this report.

2.7 Crime and Disorder:

It is not considered that there are any crime and disorder implications arising from this report. The police receive copies of applications made under the Licensing Act 2003 and Gambling Act 2005 and are invited to make representations if they so wish.

2.8 Environment and Sustainability:

It is not considered that there are any environment and sustainability implications arising from this report.
