Glossary of Terms

Asset Management Strategy	Asset Management Strategy is a high-level document that guides the overall investment in existing and new assets within an organisation. Being a strategy it explores long term issues and ensures that the overall plan is linked to the key "strategic" priorities of the organisation.
Authorised Limit	Borrowing is prohibited beyond this limit. This limit reflects the level of borrowing that, while not desired or sustainable, could be required with some headroom for unexpected cash flow movements. It includes both temporary borrowing for cash flow purposes and long-term borrowing to finance capital expenditure.
Balances	The reserves of the Authority, both revenue and capital, which represent the accumulated surplus of income over expenditure on any of the funds.
Bank Rate	The Official Bank rate paid on commercial bank reserves i.e. reserves placed by commercial banks with the Bank of England as part of the Bank's operations to reduce volatility in short-term interest rates in the money markets.
Better Care Fund (BCF)	A pooled Budget arrangement between the Authority and the regional Intergrated Care System (ICS), which aims to bring greater integration between health and social care.
B/Fwd	The balance in the Statement of Accounts that has been brought forward from the previous period, normally the previous financial year.
Borrowing	Refers to external borrowing.
Budget	A plan of expected expenditure and income over a set period of time for example the Authority's revenue budget covers a financial year.
Budget Holder	A nominated officer in a Service area who has responsibility for the control and monitoring of a particular Budget.
Budget Manager	A nominated officer in a Service area who has responsibility for the control and monitoring of the budgets within a service area.
Budget Monitoring	The analysis and reporting of expenditure/ income against budget.  Budget monitoring is carried out by Service area alongside the Finance Service on a monthly basis.
Budgetary Control	The use of budget monitoring information to manage the Budget and bring spend in on target for the year.
Business Rates	Business Rates also known as Non Domestic Rates (NDR) is a charge levied upon all non-domestic properties. The rateable value of non-domestic premises is determined by the Valuation Office Agency (part of the Inland Revenue). This rateable value is multiplied by a national multiplier (set each year by central Government) to arrive at the gross annual amount each business must pay. This can be reduced by reliefs, dependent on the size and circumstances of the business, to arrive at the net amount payable.  Business Rate Retention Regulations were introduced in April 2013. These determine the proportion of Business Rates retained by Local Authorities and its preceptors, or transferred to Central Government.
