PART 1

1.1 Purpose:

- 1.1.1 The Annual Governance Statement (AGS) explains how the Authority delivers good governance and reviews the effectiveness of these arrangements. It also meets the requirements of regulation 6(1)(a) of the Accounts & Audit Regulations 2015 which require the Authority to publish an AGS.
- 1.1.2 The purpose of this report is to advise the Audit Committee of the outcome of the review of the Authority's system of internal control as presented in the AGS (Appendix A). The review will assist the Audit Committee in considering the effectiveness of the Authority's arrangements for the governance of its affairs, including arrangements for management of risks and systems for internal control.

1.2 Recommendation(s):

- 1.2.1 It is recommended that the:
 - (a) Audit Committee note the outcome of the review of the Authority's system of internal control;
 - (b) Audit Committee consider the draft AGS and approve that it accompanies the draft Statement of Accounts for 2022/23; and

- (c) Audit Committee note the actions proposed in the AGS relating to any governance issues identified and make suggestions about including additional items if considered necessary.

1.3 Forward plan:

- 1.3.1 This report is included within the annual workplan for the Audit Committee.

1.4 Council plan and policy framework:

- 1.4.1 The AGS covers all the service responsibilities as identified within the Council Plan.

1.5 Information:

- 1.5.1 Regulation 6(1)(a) of the Accounts and Audit Regulations 2015 requires audited bodies to conduct a review at least once a year of the effectiveness of its internal controls and produce an AGS. Good governance is fundamental to the proper running of the Authority. It enables an authority to pursue its vision effectively as well as underpinning that vision with control and management of risk. The arrangements in place must be proportionate to the risks and are acknowledged as being the responsibility of each authority in its area of operation. The process of preparing the AGS should add value to the effectiveness of the corporate governance and internal control framework.
- 1.5.2 The AGS has been compiled using a governance framework produced by the Chartered Institute of Public Finance and Accountancy (CIPFA) and the Society of Local Authority Chief Executives (SOLACE). CIPFA originally published the framework 'Delivering Good Governance in Local Government' in association with SOLACE in 2007. CIPFA and SOLACE subsequently reviewed the framework to ensure that it remains fit for purpose and a revised edition was published in spring 2016. The framework builds on the existing one and details the principles that should underpin the governance of a local authority. The framework is based on seven core principles that feed into the AGS – a summary of these are shown in Section 3 of the AGS together with examples of the evidence supporting the principals in practice within the Authority. The AGS is attached as Appendix A.
- 1.5.3 The Chief Executive, Assistant Chief Executive, and each of the Directors of Service have been involved in populating the AGS with the evidence supporting how the principals are met within the Authority. The key documents/functions that have been reviewed as part of the compilation of the AGS together with an overview of the process are outlined in Appendix B. Section 5 of the AGS (Appendix A) outlines the outcome of the review of the effectiveness of internal control and identifies areas that have been highlighted as requiring continuous monitoring to ensure that they do not become significant governance issues in the future.

- 1.5.4 The risk management update, included in the agenda for this meeting, sets out the current corporate risks being managed and monitored, and for the purpose of completeness should be considered alongside this report. This process evidences an important part of the Authority's governance framework.
- 1.5.5 The AGS is a draft based on the information and evidence available as at the date of this meeting. The draft financial statements for 2022/23 will be published on the Authority's website. Due to the timing of the approval of the financial statements, if there are any matters which arise between the publication of this report and the date of the Audit Committee on 31st May 2023, then a further update will be provided to the Audit Committee for its consideration.
