

29.06.2023 ADDENDUM

Application No: 16/01710/FUL Author: Rebecca Andison
Date valid: 15 November 2016 ☎: 0191 643 6321
Target decision date: 7 March 2017 Ward: Tynemouth

Application type: full planning application

Location: Tynemouth Open Air Pool North of Percy Gardens Tynemouth Tyne And Wear

Proposal: Refurbishment, renovation and reinstatement of existing structures to create a 25 metre open-air leisure pool (heated), and splash pad, and construction of temporary changing, refreshment and toilet facilities

Applicant: Friends Of Tynemouth Outdoor Pool, 69 Church Way North Shields NE29 0AE

Agent: Big Tree Planning Ltd, FAO Mr Sam Grant Churchill House 12 Mosley Street Newcastle Upon Tyne NE1 1DE

1.0 Representations

1.1 9no. additional comments of support have been received to give total of 1,903. 1no. additional neutral comment have been received, giving a total of 10no. The additional points raised are summarised below.

- Could be developed in the future to provide replacement facilities for NSVL.
- Perfect location for training young people in the borough in vital lifesaving skills and to train lifeguards.
- If the pool is not refurbished then what is there needs to be removed.
- We demolished the Plaza, we must not do the same to the pool.
- It would be nice for the Council to engage in some better planning options.
- Give the residents a facility to be proud of and make up for your previous incompetence in dealing with this proposal over the last 5-6 years.
- There is a general loss of public swimming facilities due to cost and this facility will be a welcome addition.
- I would be more than happy to assist on a voluntary basis in constructing the pool.
- The council could initiate a world leading sustainable outdoor swimming pool.
- There seems to be a general trend towards either creating new outdoor pools/lidos or restoring old ones.
- There is an open-air pool in Stonehaven, near Aberdeen.
- Support the idea but think the design is very poor.

1.2 Councillor comments

1.3 Cllr Rebecca O'Keefe has commented in support of the application:

I believe this will be a great asset for the residents of North Tyneside. It will help to improve individuals' health and well-being and provide families an alternative safe space to swim whilst enjoying our beautiful coastline.
