### NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

#### Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

#### Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

**Continued from previous page...**

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

## Operating Schedule and Conditions

### Applicant:

Premises: Amsterdam Care,  
69 Victoria Terrace,  
Whitley Bay  
NE26 2QN

### Hours and Activities

Supply of Alcohol (on/off) 11:00 to 23:00 every day  
Opening Hours 11:00 to 23:30  
Late Night Refreshment 23:00 to 23:30

### The Applicant

He has been in the trade for 25 years, 18 as a licence holder and he has worked the entire time for St John Fitzgerald, which has recently been taken over by the Ladhar Group. The applicant has won numerous of awards, including CAMRA Tyneside Pub of the Year for Newcastle & Newcastle City Councils "Best Bar None" responsible alcohol retailing scheme.

### The Premises

Café Amsterdam is a concept that he has already operated under pop-ups in various premises. The unique selling point of the premises will be the provision of Dutch beer and food products, and also some spirits. The applicant has ran a couple of dozen events, some in other licensed premises. Since the applicant has a good relationship with a number of breweries, and small microbreweries and bottle shops, this has worked well to prove the viability of his concept in the North East. The pop-up events have been operated in the North East, particularly in Newcastle City Centre and County Durham. There have also been events in Edinburgh and Leeds. Some have operated under Temporary Events Notices, and some under existing premises licences.

The applicant wishes to operate his premises with an on and off licence. This will allow him to operate as a bar and also as a bottle shop, to sell his specialist products. The applicant wants to operate a neighbourhood bar for residents. He is replacing what is a closed unit and bringing that back into use. The hours for trade will be 11:00 to 23:00 to close at 23.30. Initially, the hours will be a lot shorter, as the business is built up. The premises will initially employ one person (the applicant), opening for 4 or 5 days a week until staff can be employed. The premises will operate within the hours applied for, predominantly opening on evenings and weekends. The hours will be dictated by what are established as busy days and the applicant will communicate the opening hours of the premises on the premises and also on socials. Staff will have to be trained and developed because there is a lot of knowledge to pass over in terms of the products. Eventually the applicant will employ 2-3 people.

The premises will be table service only with seated customers, it will be a European style café, relaxed with a little bit of background music. It will be similar to the Dog and Rabbit, Left Luggage, Nord or the Front Street Tap, which are all local premises. There will be a high price point on the products and it will be a specialist in imported beers.

All the products he will sell are Dutch in origin, beers, spirits, and food. The beers will be draught or packaged, and he will look to run about four draught beers on rotation and he will offer the flexibility for customers to take away 'growlers' of draught beer. He will also have gin and jenever, which is the predecessor of gin, and Advocaat – another Dutch product. In terms of food it will be cheese, bitterballen, peanuts & boiled eggs and a few other Dutch based foodstuffs. The soft drinks will also be Dutch in origin.

The applicant will offer tasters as well for customers coming in who are new to what he is doing. He plans to operate maybe six types of gin and tonic and small range of cocktails. The décor he describes as being "brown bar" which is a very typical Dutch bar, stained wood, brown, dark – so it a bit like a typical English pub (but this is a Dutch pub... although they do look fairly similar). He has a menu for his beers which has a map to show the locations of different breweries and what he is planning to do is very much an education on beers and the geography of where they come from.

Details of the drinks and snacks are available on the following two pages:
