

1 On September 12<sup>th</sup> we noticed a public notification affixed to metal railings at 16 East Percy Street, (picture no 1) informing us of the applicants address as number 3 Northumberland Street North Shields. This is quoted on the application document itself. On inspection of this address on the internet we were shown that these premises are relating to BDS Motorcycles (picture 1a) we therefore were of the opinion that our premises would not be greatly affected.

2/3 On visiting the Killingworth offices regarding this application we were made aware that indeed this application was pertaining to 16 East Percy Street which previously had been occupied by Alpine Fencing. (picture no 2 / 3).

4 This shows the property related to O/S reference NZ3610068734, stated in the application, which on google map's is referred to as J N Cars or T- 100 which is immediately adjacent to The Percy A Hudson buildings. (recent picture no 4).

5 This shows number 5 Northumberland Street / Harbour Studio (picture no 5) adjacent to number 3 which is BDS Motorcycles (picture 5A) this clearly shows that the address numbers ascend from Bird Street to the Percy A Hudson buildings at the top.

I firmly believe the address on this public notice is at the very least misleading.
