**LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

*Continued from previous page...*

List here steps you will take to promote all four licensing objectives together.

- \* No supply of alcohol may be made under the premises licence at a time when there is no designated premises supervisor in respect of the premises licence or at a time when the designated premises supervisor does not hold a personal licence or his/her personal licence is suspended.
- \* Every supply of alcohol under the premises licence must be authorised by a person who holds a personal licence.
- \* A written record must be available for inspection, upon request by any responsible authority, detailing the names of those members of staff who are authorised by the Designated Premises Supervisor to sell alcohol. This will include details of the person deemed to be in charge at the premises at any specific time.

b) The prevention of crime and disorder

- \* Alcohol shall only be stored, displayed, sold or supplied in the areas and locations as detailed in the plan attached to this licence.
- \* A CCTV system shall be designed, installed and maintained in proper working order to the satisfaction of the licensing authority and in consultation with the police. Such system shall be operated by properly trained staff, be in operation at all times that the premises are being used for licensable activities, ensure coverage of the entrances and exits to the licensed premises, as well as cameras installed to record transactions at the point of sale and provide continuous recording facilities to a minimum of 4 frames per second for each camera to be good standard of clarity for 28 days. Such recording shall be supplied to the licensing authority or police on reasonable request.
- \* The recording equipment and discs/ memory sticks shall be kept in a secure environment under the control of the DPS or other responsible named individual. The premises will cooperate fully with request from Northumbria Police or North Tyneside Council to review any CCTV images. The CCTV system will also be fitted with security functions to prevent recordings being tampered with e.g password protection.
- \* The premises licence holder must ensure at all times a DPS or appointed member of staff is capable and competent at downloading CCTV footage in recordable format, either disc, hard drive or memory stick to the police/ local authority on demand.
- \* CCTV shall be checked to ensure that it is in working order on a weekly basis and those checks shall be documented. If the CCTV is found to be malfunctioning in any way it shall be reported to the Licensing Authority and Northumbria Police immediately and fixed as soon as possible. The Licensing Authority and Northumbria Police shall then be informed that the CCTV is fixed. If it takes longer than 2 weeks to fix the CCTV system, then the premises will stop selling alcohol until it is fixed and the Licensing Authority and Northumbria Police are notified.
- \* The premises licence holder and designated premises supervisor shall cooperate with any crime prevention initiatives which are promoted by the licensing authority or Northumbria police.
- \* The premises will ensure that all alcohol purchased for the store is from a UK wholesaler and that the alcohol has been approved by the HMRC under the alcohol wholesaler scheme. We are aware that if alcohol is not from an approved wholesaler they we may be liable for a penalty. All evidence of these purchases can be produced to the responsible authorities on request.
- \* No sale of wine in bottles greater in size than 1 litre.
- \* All alcohol spirits shall be stored behind the counter.
- \* The premises licence holder shall act upon any request from Northumbria Police to withdraw any brand or size of bottle of alcoholic drink for a period agreed by the Police and the licence holder. Such request must be made by the Police acting reasonably and based on proper evidence that the sale of such products is detrimental to the licensing objectives. The request may only be made by an officer having the rank of Inspector or higher.

*Continued from previous page...*

c) Public safety

\* All members of staff at the premises shall seek "credible photographic proof of age evidence" from any person who appears to be under the age of 25 years and is seeking to purchase alcohol from the premises. Such credible evidence which shall include a photograph of the customer, will either be a passport, photographic driving licence, proof of age card carrying the pass logo or military ID. **NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

**Continued from previous page...**

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
