A Thriving North Tyneside

- We will regenerate the high streets of North Shields and Wallsend, and in addition to the Master Plan for North Shields, we will bring forward Master Plans for Wallsend and Whitley Bay town centre areas. We will also bring investment and improvements to the North West area of the borough and ensure that regeneration delivers ambition, opportunity and benefits for all of our residents
- We will bring more good quality jobs to North Tyneside – by helping local businesses to grow and making it attractive for new businesses to set up or relocate in the borough
- We will invest in adult education and to support apprenticeships to make sure people have the right skills for the job
- We will keep our libraries and leisure centres open as part of a vibrant range of cultural and sporting activities to support the health and wellbeing of our residents
- We will continue to be the destination of choice for visitors through the promotion of North Tyneside’s award-winning parks, beaches, festivals and seasonal activities
- We will reduce the number of derelict properties across the borough
- We will review how the council purchases and contracts for goods and services to maximise value for money, social value and environmental sustainability
