

APPENDIX 5

(1)

Mr. [redacted]

Wallsend
North Tyneside

Date: 20.05.2019

Licence Application: Modern Tandoori- 174 High Street West, Wallsend, NE28 8HZ

We would like to object to the new licence application applied on the 29th April 2019.

We live directly above the restaurant so the sale of alcohol, music being played and the extended opening hours will impact us severely as these will cause anti-social & noise nuisance.

We are a young family expecting our first child in the next month. The extended opening hours to 12am in the morning every day will affect us severely as the sale of alcohol and music being played to late hours will cause alot more noise and anti-social behaviour in and outside the restaurant which will be heard in our flat above the restaurant causing us great distress.

The current opening hours of the restaurant are from 5pm to 11pm which we are happy with as it allows us to sleep peacefully when the restaurant closes at no later than 11pm but increasing the closing time every day to 12am midnight will cause us problems.

Please take our objection on board as we will be the ones affected the most if licence permission is given.

Yours sincerely
