## PART 1

### 1.1 Executive Summary:

The purpose of this report is to provide Cabinet with an overview of the Authority's closed complaints, for the year 1 April 2019 and 31 March 2020 and to ensure compliance with the requirement to publish a report on complaints under the relevant statutory complaint legislation. This report covers all complaints made to the Authority, including those made under social services arrangements, and those made to the Local Government and Social Care Ombudsman (LGSCO) and the Housing Ombudsman (HO).

The LGSCO have recently produced their annual summary of complaints for all local authorities and North Tyneside Council remains second lowest within Tyne and Wear. In total, the Ombudsmen received 50 complaints about North Tyneside Council, positively, where a detailed investigation took place, only eight complaints were upheld.

The number of complaints continues to be very low compared to the amount of transactions the Authority undertakes every year. Overall, formal complaints to the Authority in 2019-20 has remained static in comparison to 2018-19 (1069 complaints and 1070 complaints respectively).

Effective complaints handling is very important and learning from the outcomes is an excellent way to improve service delivery.

## **1.2 Recommendation(s):**

It is recommended that Cabinet:

1. notes the complaint related activity during 2019-20 as set out in the Annual Complaints Report (Appendix 1);
2. approves the above Report for publication by the Head of Law and Governance; and
3. receives the Local Government and Social Care Ombudsman's Annual Review of complaints concerning North Tyneside Council for 2019-20 (Appendix 2).

## **1.3 Forward plan:**

28 days notice of this report has been given and it first appeared on the Forward Plan that was published on 19 August 2020.

## **1.4 Council plan and policy framework**

This report relates to the following priorities in the Our North Tyneside Plan "Our People" and "Our Places", as lessons learned from complaints are a key driver in service improvement and ensuring best value for money.

## **1.5 Information:**

### **1.5.1 Background**

The Authority undertakes millions of transactions with its 204,000 residents and 6.6 visitors to the Borough, throughout the year. Against that background, the number of complaints received by the Authority remains consistently low, reflecting the excellent services our customers receive and the Authority's ability to resolve swiftly any issues that do arise at the first point of contact.

The number of formal complaints during 2019-20 remained static compared to the previous year as the Authority continues to take a proactive approach to encouraging our residents and service users to provide feedback. The Authority's complaint leaflet entitled "How to complain about Council services" is widely available in the Authority's buildings and to download from the Authority's website. It is also now very easy for our customers to contact us on-line, and Social Care Service users are provided with a complaint leaflet at the first point of contact.

Customer satisfaction with the complaints process remains relatively high and the Authority continues to resolve the vast majority of complaints at Stage One. The Authority welcomes complaints as valuable feedback from its customers and complaint outcomes provide valuable lessons learned to further improve and enhance the Authority's services and procedures.

The Authority operates statutory complaint procedures for Adult Social Care and Children and Young People's Services and Public Health. It also provides a Corporate Complaints Procedure for all other services. The Senior Complaints Officer is the Authority's main contact with the offices of the Local Government and Social Care Ombudsman and Housing Ombudsman (LGSCO and HO). This involves responding to initial enquiries, gathering information, and arranging access

to files and interviews of staff under the instruction of the LGSCO and HO investigators, and providing advice and assistance to the Authority's Officers who may be the subject of a complaint.

### **1.5.2 Local Government and Social Care Ombudsman**

During 2019-20 the Authority responded to LGSCO enquiries in a timely fashion and was well within the required timescale for response of 28 days. The LGSCO's Annual Review of complaints concerning North Tyneside Council for 2019-20 is at Appendix 2.

### **1.5.3 Complaints Report**

The Authority's Complaints Annual Report for 2019-20 is attached at Appendix 1. Cabinet is invited to note that the overall number of formal complaints to the Authority in 2019-20 has remained static in comparison to 2018-19 (1070 complaints and 1069 complaints respectively).

### **1.5.4 Corporate Complaints**

There were 973 Corporate Complaints received during 2018-19, the figure has remained similar during 2019-20 at 967.

The Authority recognises that it is important to deal with complaints well as this is central to providing a good customer service. Services seek to address complaints and learn from these complaints so that the Authority can continually improve services.

The results are set out in detail in Section 3, Table 8 of the Report at Appendix 1.

### **1.5.5 Social Care Complaints**

The number of Social Care complaints (relating to both Adult Social Care and Children and Young People's Services) minimally increased from 97 in 2018-19 to 102 in 2019-20. This equates to 49 cases in Children's Social Services and 53 cases in Adult Social Care.

The results are set out in Section 2, Tables 2 to 6 of the Report at Appendix 1.

### **1.5.6 Future Developments**

The Authority has proposed to establish a programme that aims to improve customer services and to demonstrate that "we listen and we care". This programme has four parts: Customer Promise, Brilliant Basics, Customer Focussed Services and Better Never Stops – a continuous improvement culture.

Better Never Stops will examine how the Authority collects queries, feedback and complaints. It will look at the quality and consistency of the Authority's responses and how the feedback is used to gather and inform ongoing service delivery. The Authority will also develop the way its employees act to drive up the standard the Authority has set itself and how to recognise and celebrate good customer service.

A key aim of the complaint process is 'learning' from complaints and connects with the Better Never Stops programme. There have been several changes to procedures and practice during 2019-20 as a result of resolved complaints, examples of these have been listed on pages 10-11 of the Report.

### **1.5.7 Conclusion**

Complaints are now widely recognised as integral to the provision of quality services at both individual and strategic levels. The Authority's successful history and current good practice in effective complaint handling will be an integral service improvement driver in the current rapidly changing culture. The demands of maintaining, and increasing levels of customer satisfaction, coupled with organisational changes across public and partner sectors, will be well supported by the current robust complaint handling procedures and electronic system in place.

The Report will be published on the Authority's website and will be available on request from the Senior Complaints Officer.

### **1.6 Decision options:**

The following decision options are available for consideration by Cabinet:

#### Option 1

Note the content of the Report and approve publication of the report.

#### Option 2

Cabinet may refer the report back to officers and request that further analysis and information is provided.

Option 1 is the recommended option.

### **1.7 Reasons for recommended option:**

Option 1 is recommended for the following reason:

All local authorities providing 'social service functions' including North Tyneside Council are legally required to publish an annual report on complaints received. Publication of a Report also supports community engagement and promotes transparency and opportunities for organisational improvement.
