PART 1

1.1 Executive Summary:

1.1.1 The purpose of this report is to seek Cabinet's approval to the initial proposals for the refresh and development of the Children and Young People's Plan 2021-2025.

1.1.2 The Children and Young People's Plan is a key strategy for the North Tyneside partnership to deliver the priorities set out within the Our North Tyneside Plan, particularly in relation to Our People. It sets out the strategic framework and partnership priorities to ensure that all children in North Tyneside are able to achieve their full potential.

1.1.3 The draft plan sets out how the Authority and its partners will work together to achieve its vision for children and young people in North Tyneside, which is:

“Making North Tyneside an even greater place for children and young people to thrive; where all, including those who are vulnerable, disadvantaged or disabled, are ready for school, ready for work and life, cared for and supported.”

1.1.4 The draft plan then sets out the Authority's and partners' priorities to achieve this vision, which are:

1. Ensuring children and young people are living safely
2. Supporting children to have a healthy early childhood
3. Narrowing the gap in educational outcomes
4. Ensuring the right support for children and young people with disabilities and additional needs
5. Supporting children to be active citizens
6. Developing resilience, confidence and independence in children and young people

1.1.5 The priorities within the draft plan build on the positive work delivered across the partnership in recent years and are based on a detailed understanding of need across the borough, as well as recognising the impact of COVID-19 on services across all partners.

1.2 Recommendation(s):

It is recommended that Cabinet:

Approves the initial proposals for the Children and Young People's Plan 2021 – 2025 in terms of the priorities and plan to engage with stakeholders, and notes that the final Plan will be submitted to Full Council for approval in accordance with the Budget and Policy Framework Procedure Rules contained in the Authority's Constitution.

1.3 Forward Plan:

1.3.1 Twenty-eight days' notice of this report has been given and it first appeared on the Forward Plan that was published on 27 October 2020.

1.4 Council Plan and Policy Framework

1.4.1 The Children and Young People's Plan is one of the Authority's key plans that forms part of the Authority's Policy Framework. Accordingly, this initial report is submitted to Cabinet pursuant to the rules under Part 4.7 of the Constitution for formulation and approval of plans and strategies within the Policy Framework.

1.4.2 The Children and Young People's Plan is a key mechanism by which the Authority delivers the objectives linked to Our People, set out within the Our North Tyneside Plan. It focuses on delivering improved outcomes for all children and young people up to the age of 19 years, and those young people aged up to 25 years who are care leavers, have special educational needs or a disability and live in the borough.

1.4.3 This report relates to the following priorities in the 2020-2024 Our North Tyneside Plan:

- Be listened to so that their experience helps the council work better for residents.
- Be ready for school – giving our children and their families the best start in life.
- Be ready for work and life – with the right skills and abilities to achieve their full potential, economic independence and meet business needs.
- Be healthy and well – with the information, skills and opportunities to maintain and improve their health, well-being and independence, especially if they are carers.
- Be cared for, protected and supported if they become vulnerable including if they become homeless.
- Be encouraged and enabled to, whenever possible, be more independent, to volunteer and to do more for themselves and their local communities.

1.5 Information:

1.5.1 The North Tyneside Children and Young People's Plan 2021-2025 is developed and owned by the Children and Young People's Partnership. The partnership brings together public, voluntary and community sector organisations to improve the lives of the borough's children and young people.

1.5.2 The 2021-2025 plan is the third Children and Young People's Plan that the partnership has produced. The previous Children and Young People's Plan 2014-2018 has

underpinned the delivery of key success and significant service developments and improvements, which include:

- Children’s services were judged Outstanding by Ofsted in March 2020, noting that “strategic partnerships are mature, well-developed and highly effective”
- Continuing to successfully deliver the Troubled Families programme in North Tyneside, successfully ‘turning around’ 1,500 families, demonstrating improved outcomes across a range of indicators
- Entering into a long-term, strategic partnership with Barnardos to develop new and innovative solutions supporting children and young people’s emotional wellbeing and mental health
- Establishment of schools-led, peer-to-peer, exclusion panels, as part of a borough-wide Keeping Children in School programme, which have contributed to improved exclusion and attendance rates
- Multi-agency Keeping Families Connected service, funded by the Department for Education innovation funding, has effectively supported a reduction in entries to care, stabilisation of existing placements, and reunification where possible.

1.5.3 Despite the many significant achievements that the Authority has delivered in recent years, there remain many challenges that the Authority continues to be focused on. Alongside the changing need and demand that the partnership expects as a result of the impact of Covid-19, the Authority’s understanding of its challenges and what is important to children and young people have informed the priorities and actions set out in the plan.

1.5.4 The priorities and deliverables set out in the draft plan are aligned to the strategic outcomes the Authority and partners wants to see for children and young people, which are:

Outcome 1: I am Safe

Priority 1.1: Ensure children and young people are living safely

Outcome 2: I am Healthy

Priority 2.1: Supporting children to have a healthy early childhood

Outcome 4: I have a Voice

Priority 4.1: Support children to be active citizens

Outcome 5: I am Happy

Priority 5.1: Develop resilience, confidence and independence in children and young people

1.5.5 These priorities and actions have been developed through engagement with a range of stakeholders across the children and young people’s partnership, as well as drawing

upon extensive engagement with children and young people which is a central component of the Authority's approach.

PART 2 – COMPLIANCE WITH PRINCIPLES OF DECISION MAKING

2.1 Finance and other resources

2.1.1 The Children and Young People's plan priorities are aligned with the Our North Tyneside Plan and are consistent with the Authority's existing financial and resource planning priorities.

2.2 Legal

2.2.1 Under the Children and Young People's Plan (England) Regulations 2005 the Authority is required to prepare, consult upon and publish a Children and Young People's Plan and to review the Plan. The Regulations specify amongst other things what should be included in the Plan, how consultation on the Plan should take place as well as the timing and manner of publication of the Plan and how a review of the Plan should be undertaken.

The Children and Young People's Plan is the shared responsibility of Cabinet and Council. As such it is included in Schedule 3 of The Local Authorities (Functions and Responsibilities) (England) Regulations 2000 and is a function not to be the sole responsibility of Cabinet. Therefore, the Plan forms part of the Authority's Budget and Policy Framework.

2.3 Consultation/community engagement

2.3.1 Internal Consultation

Consultation has been carried out with the Cabinet Member for Children, Young People and Learning and colleagues at all levels across Health, Education, Care and Safeguarding. The initial and final proposals for the Plan will be considered by the Overview, Scrutiny and Policy Development Committee in accordance with the Budget and Policy Framework Procedure Rules contained in the Authority's Constitution. The key dates for consideration are as follows:

- Initial proposal for the plan to be considered by Cabinet on 30 November 2020
- Draft plan to be considered by Overview and Scrutiny on 18 Jan 2021
- Final proposal for plan considered by Overview and Scrutiny on 2 Feb
- Final approval of the plan to be considered by Cabinet on 22 Feb 2021
- Final approval of the plan to be considered by Council 18 March 2021

2.3.2 External Consultation/Engagement

The draft plan and its priorities have been developed through engagement with partners represented on the Children and Young People's Partnership.

The Authority and partners plan to regularly engage with children and young people through a variety of mechanisms and methods, and their views will be central to the development of the Authority's priorities. The Authority plans to continue to work closely with its key stakeholders, families, young people and communities by providing regular updates and opportunities for engagement to share their views on the plan.

2.4 Human rights

2.4.1 There are no human rights issues arising from this report.

2.5 Equalities and diversity

2.5.1 The draft plan will contribute to the Authority's statutory equalities duties. It will advance the equality of opportunity for children and young people, with a focus upon those who are experiencing or at increased risk of experiencing vulnerability and / or deprivation. It will also contribute to towards the achievement of the two other key aims of the Equality Act and Public Sector Equality Duty; to eliminate discrimination, harassment and victimisation and to foster good relations.

2.6 Risk management

2.6.1 Failure to deliver significant priorities, particularly in the context of the COVID-19 pandemic, could limit the Authority and partnership's ability to improve outcomes for children and young people. Therefore, the draft plan proposes a focus on a smaller number of priorities to ensure the Authority's efforts are focused on the key issues facing children, young people and their families.

2.7 Crime and disorder

2.7.1 The partnership's work to reduce risk taking behaviour will incorporate young people engaged in or at risk of becoming involved in offending behaviour.
