PART 1

1.1 Executive Summary:

This report is the result of the annual review of the Constitution and associated documents undertaken by the Monitoring Officer. The report contains recommendations on proposed amendments to Financial Regulations and Officer Delegation Scheme to ensure that they continue to be fit for purpose and provide a framework which ensures the efficient discharge of the Authority's business by allowing for decision making at the appropriate level.

The Financial Regulations have been reviewed to reflect organisational changes, changes in personnel and legislative changes that have occurred since the previous version that was approved in 2013.

The key changes to the Officer Delegation Scheme comprise statutory duties to provide support for people vulnerable to being drawn into terrorism through a local panel; and to have due regard to the need to prevent people from being drawn into terrorism; and a new environmental protection enforcement duty in relation to plastic straws, cotton buds and stirrers.

1.2 Recommendation(s):

It is recommended that Council approve the proposed changes to the Financial Regulations and Officer Delegation Scheme set out in Appendix 1 to this report and refer the approved changes to the Elected Mayor for her consent in accordance with Article 15 of the Constitution.
