Preface

The Gambling Act 2005 gives Authorities a range of powers to licence gambling premises in their communities and requires Authorities to perform a number of different functions, including issuing premises licences, temporary use notices and a range of permits and other permissions. This Statement of Licensing Policy is intended to assist those wishing to apply for a permission under the Act and to provide transparency.

This Statement of Licensing Policy has been prepared in accordance with Section 349 of the Act and with reference to the Guidance issued by the Gambling Commission. The Policy provides guidance to applicants, Interested Parties and Responsible Authorities on the approach the Authority will take on gambling licensing matters. Its purpose is to guide officers and members in reaching decisions, and it sets out the matters that will normally be taken into account in determining applications.

This document has been produced for consultation purposes. If you have any comments please forward them to the following address by 15 August 2021.

Part A General

Section 1 Introduction

- 1.1 North Tyneside Council (the Authority) is the Licensing Authority under the Gambling Act 2005 for the Borough of North Tyneside. As such the Authority is responsible for undertaking licensing and regulatory functions in relation to gambling premises in the Borough. The main function of the Authority will be to:
- Be responsible for the licensing of premises where gambling activities are to take place by issuing *Premises Licences*
 - Be responsible for dealing with applications for renewal, variation, transfer, revocation, reinstatement and review of *Premises Licences*
 - Issue *Provisional Statements*

 - Issue *Club Machine Permits* to *Commercial Clubs*
 - Grant permits for the use of certain lower stake gaming machines at *unlicensed Family Entertainment Centres*
 - Receive notifications from alcohol licensed premises (under the Licensing Act 2003) of the use of two or fewer gaming machines
 - *Grant Licensed Premises Gaming Machine Permits* for premises licensed to sell/supply alcohol for consumption on the licensed premises, under the Licensing Act 2003, where more than two machines are required and to regulate gaming and gaming machines in such premises

 - Receive and Endorse *Temporary Use Notices*, consider objections where necessary and endorse the Notice or give a Counter-Notice as appropriate
 - Receiving *Occasional Use Notices (for tracks)*

 - Maintain registers of the permits and licences that are issued under these functions
- 1.2 North Tyneside Council, as a Licensing Authority, is ***not*** responsible for the regulation and enforcement of certain aspects of the Gambling Act 2005 within the Borough because certain activities are regulated at a national level. In particular the Authority is not responsible for the regulation of:
- The licensing of remote gambling
 - The licensing of the National Lottery
 - The advertising of gambling products

These activities are regulated by the Gambling Commission
(www.gamblingcommission.gov.uk)

- Spread betting

This activity is regulated by the Financial Conduct Authority (www.fca.org.uk)

Any individual, business or organisation within the Borough that has concerns about the activities set out in this paragraph should contact either the Gambling Commission or the Financial Conduct Authority as appropriate.

- 1.3 North Tyneside is one of five metropolitan districts that comprise the County of Tyne and Wear. It covers an area of 8,367 hectares and has a growing population of around 207,000. North Tyneside has met the challenge of regional decline and deprivation by rebuilding and stabilising communities. New high-tech industries have been attracted to the area and shipbuilding and the marine industry have made a partial revival. There are around 99,000 households in the Borough.
- 1.4 The evening economy of the Borough is principally centred around Tynemouth and Whitley Bay. Activity is also centred in areas such as, North Shields and Wallsend. These activities support the cultural diversity of the Borough and contribute to its economy. However, they may have a negative impact in some areas where crime and disorder can affect residents.
- 1.5 North Tyneside Council consulted widely in producing this Statement of Licensing Policy (Gambling) including with the following:-

E-mail: Joanne.lee@northtyneside.gov.uk

It should be noted that this Policy statement will not override the right, where conferred by the Gambling Act, of any person to make an application, make representations about an application, or apply for a review of a licence, as each will be considered on its own merits and according to the statutory requirements of the Gambling Act 2005.

1.9 When formulating this Policy the Authority has had regard to the Regulator's Code published under the Legislative and Regulatory Reform Act 2006 and duly considered the statutory principles of good regulation including the need for the Authority's regulatory activities to be undertaken in a transparent, accountable, proportionate and consistent manner targeted only at cases in which action is needed

1.10 Declaration

In producing the Licensing Policy Statement, this Authority has had regard to the licensing objectives set out in the Gambling Act 2005, the Guidance issued by the Gambling Commission in particular Part 5, and any responses received from those consulted during the consultation period.

Section 2 The Statement of Licensing Policy (Gambling)

2.1 The Act requires that the Authority carry out its licensing functions in relation to gambling premises having regard to the three licensing objectives as set out in Section 1 of the Act. These objectives are central to the regulatory regime created by the Act and are:

- **preventing gambling from being a source of crime or disorder, being associated with crime or disorder, or being used to support crime;**
- **ensuring that gambling is conducted in a fair and open way; and**
- **protecting children and other vulnerable persons from being harmed or exploited by gambling.**

The Act requires that the Authority publish a Statement of Licensing Policy in relation to gambling that sets out the principles it proposes to apply in exercising its functions under the Act.

2.2 In dealing with the grant, renewal, variation, transfer, revocation, reinstatement and review of premises licences, and in considering whether to permit premises to be used for gambling under a Temporary Use Notice the Authority is required to aim to permit the use of premises for gambling in so far as the Authority thinks it is: -

- in accordance with any relevant code of practice issued by the Gambling Commission
- in accordance with any relevant guidance issued by the Gambling Commission
- reasonably consistent with the licensing objectives, subject to the matters set out in the above two bullet points; and
- in accordance with the Authority's Statement of Licensing Policy (Gambling), subject to the matters set out in the above three bullet points.

This requirement does not, however, apply to the Authority's power to resolve not to grant a casino licence, see clause 9.1 of Part B below (and it does not apply to other functions of the Authority, and in particular the grant of permits for gambling (see clause 1.1 Part C below)). In some cases the Act provides for specific matters that the Authority should (or may) consider in dealing with applications for permits and these are set out in the relevant sections of this Policy.

2.3 This Policy applies to applications, renewals, transfers, variations and reviews of the Premises Licences and permits issued by the Authority.

2.4 This Policy takes effect on xxx and will remain in force for a period of not more than three years but the Authority may review and alter the Policy during this period. Any revision of the Policy will only take place after consultation. This Statement will then be re-published.

2.5 In order to achieve the licensing objectives the Authority will actively promote partnership working with other local authorities, the police, fire and rescue service, local businesses, local people and those involved with child protection in addition to the Gambling Commission.

- 2.6 The Policy reflects the aims of Our North Tyneside Plan and in particular Our People, Our places and Our Economy.
- 2.7 Subject to the requirements imposed on the Authority by the Gambling Act 2005 in connection with Premises Licences which have been set out in paragraph 2.2 above, this Policy will be integrated with local planning, transport, tourism and equality and cultural strategies, and any other plans introduced for the management of the Borough and night-time economy. The Authority will work in partnership with the agencies referred to in paragraph 11.1 below and through joint working and cross reporting the Authority will ensure as far as possible that this Policy integrates with the policies of its partner agencies.
- 2.8 Regard has been paid in the preparation of this Policy to the Authority's responsibilities under the Human Rights Act 1998 and Equality Act 2010.
- 2.9 The Authority in exercising its licensing functions recognises the need to protect children and other vulnerable persons from being harmed or exploited by gambling which includes the need to protect children from child abuse and sexual exploitation.
- 2.10 Protecting children from harm is one of the most important things Local Authorities do, but Local Authorities cannot stamp out child abuse and sexual exploitation without the help of the wider community. Raising awareness of this type of abuse is essential to preventing it and stopping it early when it does happen.
- 2.11 Where someone suspects a child or young person is in immediate danger then they should contact the police and tell them of their concerns by telephoning 999. If a child or young person is not in immediate danger call 101.

Signs to look out for include:

- Adults who appear secretive or are trying to hide the fact that they are with a young person
- Adults befriending young people, including buying them food and drinks
- Young people being picked up and taken to hotels, particularly at odd times of the day and night
- Adults who frequently come into premises with different young people
- Young people who, although with peers, look uncomfortable or under duress

Section 3 Local Risk Assessment

- 3.1 In line with the Gambling Commission's Licence Conditions and Codes of Practice (Code of Practice Provisions 10.1.1 and 10.1.2) the Authority requires the holder of a Premises Licence or Applicant for such a Licence to consider local risks to the licensing objectives posed by the provision of gambling facilities at their premises.
- 3.2 The Licence Holder or Applicant will be required to have policies, procedures and control measures in place to mitigate the risks posed by the gambling facilities offered at the premises.
- 3.3 The matters to be taken into consideration by the Licence Holder or Applicant when undertaking a Local Risk Assessment include:
- The location of any educational establishment, for persons under 18 years of age, that is within 200 metres of their premises;
 - The location of any establishment at which vulnerable adults or children are known to be regularly in attendance that is within 200 metres of their premises. Such establishments would include (but are not limited to) vulnerable adult centres, residential children's homes, hostels providing accommodation for persons leaving care or establishments of similar characteristics at which vulnerable persons or children are known to be regularly in attendance;
 - The location of any establishment at which persons who are addicted to gambling are known to be regularly in attendance. Such establishments would include (but are not limited to) treatment centres or places where such persons regularly meet;
 - The layout of the local area and physical environment in which the premises are situated including any crime and disorder hotspots.
- 3.4 The Authority would encourage the Licence Holder or Applicant in preparing a Local Risk Assessment to have regards to:
- The crime mapping website
 - Neighbourhood statistics website.
- 3.5 If the Local Risk Assessment identifies particular areas of concern in relation to the premises, the Authority would expect the Licence Holder or Applicant to contact the most appropriate Responsible Authority (as identified in section 157 of the Gambling Act 2005) for guidance before submitting an application for a Licence or a variation of a Licence. For example, if the Risk Assessment identifies that the premises are situated in an area that is noted for problems with disorder or organised criminal activity the Licence Holder or Applicant should contact Northumbria Police or the North Tyneside Safeguarding Partnership if an establishment at which children are known to be regularly in attendance is within 200 metres of the premises.
- 3.6 Applicants or Licence Holders who do not have their own form of Local Risk Assessment may like to use the Local Risk Assessment template attached to this Policy at **Appendix 1**.

3.7 In addition to being required to undertake a Local Risk Assessment and to submit the same to the Authority when applying for a new Premises Licence, a Local Risk Assessment will also be required to be submitted to the Authority when:

- Applying for a variation of a Premises Licence
- There have been significant changes in local circumstances. A 'significant change' may include (but is not limited to):
 - An educational establishment at which persons under 18 years of age attend being established within 200 metres of the premises
 - An establishment at which persons addicted to gambling, vulnerable adults or children are known to be regularly in attendance is established within 200 metres of the premises
 - There is a particular risk identified to premises offering gambling facilities in the location of the premises
 - The Authority receives information that in the view of the Authority amounts to a significant change in local circumstances. Such information will be shared with the Licence Holder by the Authority as soon as reasonably practicable.
- There have been significant changes at the premises that may affect the mitigation of local risks.

3.8 A Licence Holder will be required to undertake a review of its Local Risk Assessment at least every 3 years. A copy of the revised Local Risk Assessment will be made available to the Authority on completion of the review.

3.9 When the Authority officers undertake an inspection of premises offering gambling facilities it is likely that the Local Risk Assessment will be requested to be seen. It is therefore a requirement that the Local risk Assessment, or a copy thereof, is kept at the Premises at all times.

Section 4 Responsible Authorities

4.1 Responsible Authorities

The 2005 Act defines certain 'Responsible Authorities' in relation to premises. These are given certain rights of involvement and consultation in relation to applications for Premise Licences (and other procedures in relation to Premises Licences e.g. review). The following are Responsible Authorities for the purposes of the 2005 Act:

- An Authority in whose area the premises are wholly or partially situated. If premises are wholly within North Tyneside's area then it will be a "Responsible Authority". If the premises are also partly situated in another authority's area, that Authority will also be a "Responsible Authority"
- The Gambling Commission
- The Chief Officer of Police for any police area in which the premises are wholly or partly situated
- The Fire and Rescue Authority for an area in which the premises are wholly or partly situated
- The Local Planning Authority for an area in which the premises are wholly or partly situated
- Environmental Health Authority (i.e. an authority which has functions in relation to pollution of the environment or harm to human health) for an area in which the premises are wholly or partly situated
- A body designated in writing by the Authority for an area in which the premises are wholly or partly situated as competent to advise the authority about the protection of children
- Her Majesty's Commissioners of Customs and Excise
- Any other body prescribed by the Secretary of State.

The Responsible Authorities will be provided with a notice of any application for a licence received by the Authority and may make representations on such applications. In certain defined circumstances a premise licence may be granted for a vessel and if the premises are a vessel then Responsible Authorities would also include:

- a) The Navigation Authorities within the meaning of Section 221(1) of the Water Resources Act 1991 that have statutory functions in relation to the waters where the vessel is usually berthed or moored or any waters where it is proposed to be navigated at a time when it is used for licensable activities.
- b) The Environment Agency
- c) The Canal and River Trust
- d) The Secretary of State.

Section 5 Principles Applied in the Designation of a Body Competent to Advise the Authority About the Protection of Children from Harm

- 5.1 The principles that have been applied in designating the body that is competent to advise the Authority about the protection of children from harm under Section 157(h) are:
- the need for the body to be responsible for an area covering the whole of the Authority's area
 - the need for the body to be answerable to democratically elected persons, rather than any particular vested interest group and to be multi – disciplinary in it's composition.
- 5.2 The Authority has therefore determined that the body competent to advise them on the protection of children is the North Tyneside Safeguarding Partnership. This body is made up of professionals representing the Health Authority, the Police, Education Services and Social Services. The expertise that the Safeguarding Partnership has as a result of agencies working together from different fields of expertise is deemed by the Authority to be the most appropriate body to give competent advice regarding the protection of children from harm in relation to gambling issues.

Section 6 Principles to be Applied in Determining Whether a Person is an “Interested Party” in relation to a Premises Licence or an Application for, or in respect of, a Premises Licence

- 6.1 The principles that have been applied in determining whether a person is likely to be an “Interested Party” under section 158 of the Act in relation to a particular premises, and therefore entitled to make a relevant representation in relation to a Premises Licence application or to apply for a review of an existing licence include the matters set out in paragraphs 6.3 to 6.4 having regard to whether a person:
- a) lives sufficiently close to the premises to be likely to be affected by the authorised activities; or
 - b) has business interests that might be affected by the authorised activities; or
 - c) represents persons who satisfy a) or b).

In determining if a person is an Interested Party the Authority will reach such a decision on a case by case basis judging each case on its own particular facts.

- 6.2 Persons who represent Interested Parties for this purpose will include residents’ or tenants’ associations, trade associations or trade unions. These persons or bodies will ordinarily only be permitted to make representations on behalf of Interested Parties if they can demonstrate that they represent members who meet the criteria in paragraph 4.3 (a) or (b) above and have written confirmation to that effect, save for democratically elected persons who do not need to produce such written confirmation.

- 6.3. In determining whether an Interested Party lives “sufficiently close” to the premises the Authority will consider the following factors on a case by case basis: -

- the size of the premises
- the nature of the activities taking place at the premises
- the distance of the premises from the location of the person making a representation
- the potential impact of the premises (for instance numbers of customers, routes likely to be taken by those visiting the establishment)
- the circumstances of the person who lives close to the premises. This does not mean their personal circumstances but rather their interests which may be relevant to the distance from the premises.

Relevant factors will also depend on the particular application. For example, it could be reasonable for the Authority to consider that living “sufficiently close to premises to be likely to be affected” could have a different meaning for a) a private resident, b) a residential school for children with truancy problems and c) a residential hostel for vulnerable adults.

Persons with Business Interests that could be affected

- 6.4 To satisfy the test of being “a person with business interests that might be affected by the premises” the Authority would normally expect that person to show that the

relevant business is likely to be affected. It would not usually be sufficient for a person to lodge a representation in relation to an application made by a rival business simply because they are in competition within the same gambling sector. Factors that the Authority may consider to be relevant in determining the test include:

- the size of the premises;
- the 'catchment' area of the premises (i.e. how far people travel to visit the premises) and;
- whether the person making the representation has business interests in that catchment area that might be affected.

The term "business interests" will be given a broad meaning and will include partnerships, charities, faith groups, medical practices and similar bodies.

6.5. People Representing Interested Parties

Interested Parties can be persons who are democratically elected such as Councillors and MPs. No specific evidence of being asked to represent an Interested Party will be required as long as the Councillor/MP represents the constituency/ward likely to be affected.

If individuals wish to approach Councillors to ask them to represent their views then care should be taken that the Councillor in question is not a member of the Licensing Committee/Sub-Committee dealing with the licence application. If there are any doubts then please contact the Licensing Team.

Representations could also be made by a School Head or Governor acting in the interests of pupils or parents or a Community Group that might represent vulnerable people living in the vicinity of the premises.

Representations

- 6.6 All representations made in relation to an application must be "relevant". For a representation to be relevant it must relate to issues raised under the Gambling Commission's Codes of Practice or Guidance, relate to the three licensing objectives or raise issues regarding the Authority's own Licensing Policy Statement.
- 6.7 The Authority will be aware at all times that moral objections to gambling are not a valid reason to reject applications for premises licences as they would not relate to any of the licensing objectives or to the matters which the Authority are required to consider set out at clause 2.2 above.
- 6.8 The Authority as a Responsible Authority will not act as a Responsible Authority on behalf of other parties (for example local residents, local councillors or community groups) although there may be occasions when the Authority may do so. This is because such parties can make representations or applications in their own right and it is reasonable for the Authority to expect them to make such applications or representations should they wish to do so. If such parties however fail to take action and the Authority is aware of relevant grounds to make a representation it may choose to do so in its capacity as a Responsible Authority.

- 6.9 In cases where the Authority is also acting as a Responsible Authority the Authority will allocate different licensing officers within the Authority to ensure a proper separation of responsibilities. The officer advising the Licensing Committee/Sub-Committee will be a different individual to the officer who is acting for the Authority in its capacity as a Responsible Authority. The officer acting for the Authority in its capacity as a Responsible Authority will not be involved in the licensing decision process and will not discuss the merits of the case with those involved in making the determination on behalf of the Authority. Any communication that there has to be between such officers will remain professional and will be consistent with communication with other Responsible Authorities.

Section 7 Principles to be Applied in Exercising the Right of Inspection of Premises

- 7.1 Prior to the grant of a Premises Licence the Police and any authorised person as defined by the Act may at any reasonable time enter the premises to which the application relates to assess the effect of the grant of the licence on the licensing objectives.
- 7.2 Once premises are licensed it is essential that they are maintained and operated so as to ensure the continued promotion of the licensing objectives, compliance with the Act and any conditions attached to the licence. The Authority will make arrangements to risk assess licensed premises and take appropriate enforcement action.
- 7.3 The Authority will be guided by the Gambling Commission's Guidance to Licensing Authorities in the exercise of its functions under the Gambling Act. The Authority when exercising a specified regulatory function, including an inspection function under Part 15 of the Gambling Act, or the instigation of criminal proceedings under section 346 of the Act, will also have regard to the statutory principles of good regulation when exercising such functions in accordance with the Legislative and Regulatory Reform Act 2006. The Authority will also have regard to the requirements of the Regulators' Code published by the Department for Business, Energy and Industrial Strategy. The regulatory activities of the Authority will be carried out in a way that is **transparent, accountable, proportionate, consistent and targeted** at cases in which action is required.
- 7.4 In accordance with the Gambling Commission's Guidance to Licensing Authorities the Authority will endeavour to avoid duplication with other regulatory regimes so far as possible.
- 7.5 The main enforcement and compliance role for the Authority in terms of the Gambling Act 2005 will be to ensure compliance with the Premises Licences and other permissions which it authorises. The Gambling Commission will be the enforcement body for the Operating and Personal Licences. Concerns about manufacture, supply or repair of gaming machines will not be dealt with by the Licensing Authority but will be notified to the Gambling Commission.
- 7.6 The Authority will also keep itself informed of developments in relation to the work of Regulatory Delivery in its consideration of the regulatory functions of local authorities.
- 7.7 The Authority's enforcement protocols will be available upon request to the Licensing department. The Authority's risk methodology will also be available upon request. The Authority will also have regard to good practice in regulation contained in The Regulator's Code introduced by the Department for Business, Energy and Industrial Strategy.
- 7.8 The Authority will also, as recommended by the Gambling Commission's Guidance to Licensing Authorities, adopt a risk-based inspection programme. The Authority will liaise with Northumbria Police, Tyne and Wear Fire and Rescue Service and Planning and Regulatory Services to co-ordinate and maximise the effect of

inspection and enforcement under the Act. This protocol will provide for the targeting of resources towards problem and high risk premises.

- 7.9 The Authority will risk rate all premises and inspection will be carried out on the following basis: -

<u>Type of Premises</u>	<u>Frequency of Inspections *</u>
Bingo premises	Once a year
Betting premises	Once a year
Adult gaming centres	Once a year
Family entertainment centres	Once a year

*This column only gives an indication of the likely frequency of inspections. The frequency may vary depending on factors such as the Authority's confidence in the management of the premises, the number of complaints received and any other relevant factor.

Inspections will be carried out through co-ordination between the Authority and other authorised persons as defined by the Gambling Act 2005.

At the date of publication of this Statement of Policy there are no existing casinos in North Tyneside. If this should change the Authority will review this part of the policy to determine what inspection regime should apply in the case of casinos.

Section 8 Complaints against Licensed Premises

- 8.1 The Authority will investigate complaints about licensed premises where appropriate. In the case of a valid complaint the Authority where appropriate will endeavour to seek a resolution through mediation.
- 8.2 Where considered appropriate, the Authority may pass any complaint on for investigation by any other statutory agency under whose enforcement responsibility the complaint falls.

Section 9 Principles to be Applied in the Exchange of Information

- 9.1 In respect of exchange of information between the Authority and the Gambling Commission under Sections 29 and 30 of the Gambling Act and the exchange of information under Section 350 of the Act with the other persons listed in Part 1 of Schedule 6 of the Act, the Authority will act in accordance with not only the provisions of the Gambling Act 2005 but also the Data Protection Act 2018 and The General Date Protection Regulation. The Authority will have regard to any guidance issued by the Gambling Commission and / or Secretary of State on this matter. Should any protocols be established as regards the exchange of information with other bodies then they will be made available.
- 9.2 Details of those persons making representations in relation to applications will ordinarily be made available to applicants to allow mediation to take place if appropriate, and, in the event of a hearing being held, will form part of a public document. Anyone making representations or applying for the review of a premise licence will be informed that their details will be disclosed save in exceptional circumstances.
- 9.3 If a person feels unable to make a representation on their own behalf then that person should consider approaching another relevant body such as the Police, if for example that person has concerns about the gambling at the premises being a source of crime or disorder.

Section 10 Administration, Exercise and Delegation of Functions

- 10.1 Under the Act all decisions relating to Premises Licences, Temporary Use Notices, Occasional Use Notices and the granting of permits for gaming machines and prize gaming are to be exercised by the Licensing Committee of the Authority unless such decisions are delegated to Officers of the Authority.
- 10.2 Appreciating the need to provide a speedy, efficient and cost effective service to all and in line with the Act it is proposed that the Licensing Committee will delegate certain decisions and functions and will establish a number of sub-committees to deal with them.
- 10.3 Further, with many of the decisions and functions under the Act being administrative in nature it is proposed that the granting of non-contentious applications, including for example those licences and permits where no representations have been made, are delegated to the Authority's Licensing Officers. It is proposed that all matters dealt with by officers will be reported for information and comment to the following meeting of the Licensing Committee.
- 10.4 The table shown at Part D sets out the scheme of delegation of decision making and functions of the Licensing Committee, Sub-Committee and officers.
- 10.5 This form of delegation will be without prejudice to officers referring an application to a Sub-Committee, or to a Sub-Committee referring an application to the full Committee, if considered appropriate in the circumstances of a particular case.

Section 11 Licensing Committee and Hearings

11.1 The Authority's Licensing Committee is composed of a membership between 10 and 15 Councillors. The Committee will be responsible for discharge by the Authority of the licensing functions under the Act.

Hearings

11.2 A Sub-Committee consisting of three members of the Licensing Committee will be convened to hear every application where:

- a) an Interested Party or Responsible Authority has made representations about an application; or
- b) the Licensing Authority proposes to attach a condition to the licence under Section 169(1)(a); or
- c) the Licensing Authority proposes to exclude under Section 169(1)(b) a condition that would otherwise be attached to a licence under Section 168 of the Act.
- d) a review has been applied for by a Responsible Authority or Interested Party under Section 197 of the Gambling Act 2005 or a review has been initiated by the Licensing Authority under Section 200 Gambling Act 2005

11.3 See Part D for full list of matters to be dealt with by the Licensing Committee and Licensing Sub-Committees.

Section 12 Integrating Strategies and Avoiding Duplication

- 12.1 In determining applications the Authority has a duty to take into consideration all relevant matters and not to take into consideration any irrelevant matters, i.e. those not related to gambling and the licensing objectives.
- 12.2 Section 210 of the 2005 Act prevents Authorities taking into account the likelihood of the proposal by the applicant obtaining planning or building consent when considering a Premises Licence application. Equally the grant of a gambling premises licence does not prejudice or prevent any action that may be appropriate under the law relating to planning or building control.
- 12.3 The Authority seeks to avoid any duplication with other statutory/regulatory systems where possible, including planning. This authority will not consider whether a licence application is likely to be awarded planning permission or building regulations approval, in its consideration of it.
- 12.4 When dealing with a Premises Licence application for finished buildings, the Authority will not take into account whether those buildings have to comply with the necessary planning or building consents. Fire or health and safety matters will not be taken into account, as these matters are dealt with under relevant planning control, buildings and other regulations and must not form part of the consideration for the Premises Licence.
- 12.5 As referred to in Section 2.8 the Authority has a duty under the Human Rights Act 1998 and under Article 8 of the European Convention of Human Rights not to breach the rights of individuals to respect for their private and family life. Similarly, under Article 1 of the First Protocol of the Convention individuals should not be deprived of peaceful enjoyment of possessions, should have the right to a fair hearing under Article 6 and a right to freedom of expression under Article 10.
- 12.6 The Authority acknowledges the right of businesses in the Borough to operate, but this consideration must be balanced against the rights of others such as residents.

Section 13 Partnership Working

- 13.1 The Authority will work in partnership with the following agencies and individuals to promote the licensing objectives:
- Northumbria Police
 - Tyne and Wear Fire and Rescue Service
 - Planning Authority
 - Environmental Health Authority
 - Crime & Disorder Reduction Partnership
 - Local businesses
 - Agencies involved in child protection
 - Local residents
 - Organisations concerned with safeguarding the interests of vulnerable adults.
- 13.2 The Authority will consider any relevant protocols made with Northumbria Police. The Police have the right to make representations in relation to licence applications and reviews of licences and make reference to relevant strategies and protocols adopted by them under that Act.
- 13.3 The Authority will have regard to the Safer North Tyneside Community Safety Partnership where appropriate.

Section 14 Fees

- 14.1 The maximum level of fees to be charged by the Authority for exercising its licensing functions has been set nationally by the Secretary of State for Culture, Media and Sport. An annual fee will apply to all licences.
- 14.2 Details of the current level of fees can be found on the Authority's website at <http://my.northtyneside.gov.uk/category/933/gambling-premises-licence>.

Section 15 Equal Treatment

- 15.1 The Authority is working to eliminate discrimination, promote equality of opportunity and good community relations through its employment practices and through its service delivery.
- 15.2 The Authority is aware that it must have regard to its public sector equality duty in accordance with section 149 of the Equality Act 2010 . This means that in exercising its functions under the Gambling Act 2005 it must have due regard to the need to: -
- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the 2010 Act ;
 - Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it.
 - Foster good relations between persons who share a relevant protected characteristic and that those using premises.
- 15.3 Each applicant, licence/permit holder will need to make an assessment of its own practices and policies which should promote equality and diversity.
- 15.4 When considering applications and taking enforcement action the Authority is also subject to the Regulators Code.

Section 16 Lotteries

- 16.1 A lottery will be illegal under the Act unless it is either a licensed lottery or an exempt lottery. The Act does not apply to the National Lottery which is governed separately by the National Lottery Act 1993 and National Lottery Act 2006.
- 16.2 A licensed lottery will either be a large society lottery or a lottery run for the benefit of a Local Authority. In each case the Gambling Commission will regulate such lotteries and an Operating Licence will be required. The Authority does not as such have functions with respect to licensed lotteries. However among the “exempt lotteries” provided by the Act are “Small Society Lotteries”. Societies running such lotteries are required to be registered with a Local Authority for the area in which the principal premises of the society are situated. North Tyneside Council will accordingly be the relevant Local Authority for the registration of Small Society Lotteries where appropriate
- 16.3 In determining lottery registration applications and other matters involving lotteries the Authority will have regard to the Gambling Act 2005, the licensing objectives, Guidance issued by the Gambling Commission, any Code of Practice issued by the Gambling Commission and this Statement of Licensing Policy (Gambling).
- 16.4 To qualify for registration a Society must be "non-commercial". To be considered non-commercial the Society must be established and conducted for:
- charitable purposes; or
 - the purpose of enabling participation in, or of supporting, sport, athletics or a cultural activity; or
 - any other non-commercial purpose other than that of private gain.
- 16.5 If the total value of tickets that a Society puts on sale in any one lottery exceeds £20,000, or tickets in separate lotteries in one calendar year are to exceed £250,000 in aggregate, the lottery is a large lottery and the Society will require an Operating Licence from the Gambling Commission.
- 16.6 The promoting Society of a small lottery must be registered with the Authority throughout the period of the lottery being promoted. The details of the Society will be kept in the Register and in accordance with the recommendation of the Gambling Commission the Authority will make the Register available for inspection by the public on request. Once a Society is registered the Society will be notified by the Authority accordingly and the Authority will inform the Gambling Commission of the Registration.
- 16.7 An application by a Society to register a small lottery must be refused by the Authority if:
- During the period of five years ending with the date of the application an Operating Licence held by the applicant for registration has been revoked under section 119(1); or
 - An application for an Operating Licence made by the applicant for registration has also been refused within the same five year period.
- 16.8 The Authority may refuse an application for registration if it considers that:
- The applicant is not a non-commercial society,

- A person who will or may be connected with the promotion of the lottery has been convicted of a relevant offence; or
- Information provided with or in the application for registration is false or misleading.

- 16.9 If the Authority is minded to refuse an application for registration of a Small Society Lottery the applicant will be given an opportunity to make either written or oral representations that will be considered by a Licensing Sub-Committee before any refusal is determined.
- 16.10 The Authority may revoke the registration if the Authority considers that it would have had to do so or would be entitled to refuse an application for Registration if it were being made at that time. If the Authority is minded to revoke the registration the Society will have an opportunity to make oral or written representations for consideration by a licensing Sub-Committee before any revocation takes place.
- 16.11 An applicant for registration of a Small Society Lottery which is refused, or where revocation has taken place has a right of appeal to the Magistrates' Court within 21 days of the decision.
- 16.12 Within three months of any Small Society Lottery draw the promoting Society will forward to the Authority a return signed by two members of the Society that gives the prescribed information set out in the Act. If after receipt of the return it is apparent that the ticket sales are above the permitted limits for a Small Society Lottery, the Authority will notify the Gambling Commission. A copy of that notification will be provided to the Society.
- 16.13 In addition to small lotteries, there are other types of exempt lottery namely an incidental non-commercial lottery, a private lottery, a residents' lottery and a customer lottery. To determine if a lottery is an exempt lottery, the promoter of any such lottery is recommended to contact the Senior Licensing Officer of North Tyneside Council if they are in any doubt as to whether or not their lottery is an exempt lottery. (Contact details appear at section D of this Statement.) It is an offence to promote or facilitate a non-exempt lottery.
- 16.14 If for any reason the Authority suspects that there has been an offence committed under the Act in relation to lotteries the Authority may commence an investigation and along with the Gambling Commission and the Police, have the authority to prosecute any suspected offender.

Part B

Premises Licences

1. Types of Licences

The Gambling Act 2005 creates three types of licence as follows:

- Operating Licence

Such a licence is issued to an individual, company or association of persons by the Gambling Commission and authorises them to operate or provide facilities for gambling. The Authority does not issue such licences.

- Personal Licence

Such a licence is issued to individuals by the Gambling Commission to enable them to perform the specified functions of a specified management office or to perform a specified operational function to facilitate gambling. The Authority does not issue such licences.

- Premise Licence

Such a licence is issued by Authorities to authorise the use of premises for various forms of gambling. There are five different kinds of premise licence authorising premises to be used as casino premises, bingo premises, adult gaming centre premises, family entertainment centre premises and betting premises.

2. General Principles – Premises Licences

2.1 Premises Licences will be subject to the permissions/restrictions set out in the Gambling Act 2005 and Regulations, as well as specific mandatory and default conditions which will also be detailed in Regulations issued by the Secretary of State. Authorities are able to exclude default conditions and also attach other conditions, where it is considered to be appropriate.

2.2 This Authority is aware that in making decisions in relation to Premises Licences it should aim to permit the use of premises for gambling in so far as the Authority thinks it is:

- in accordance with any relevant code of practice issued by the Gambling Commission; and
- in accordance with any relevant guidance issued by the Gambling Commission; and
- reasonably consistent with the licensing objectives subject to the matters set out in the above two bullet points; and
- in accordance with the Authority's Statement of Licensing Policy (Gambling) subject to the matters set out in the above three bullet points.

3. Definitions

3.1 In the Act, “premises” is defined as including “any place”. Section 152 of the Act prevents more than one Premises Licence applying to any place. But, there is no reason in principle why a single building could not be subject to more than one Premises Licence, provided, they are for different parts of the building, and the different parts of the building can be reasonably regarded as being different premises. This approach has been taken to allow large, multiple unit premises such as a pleasure park, tracks or shopping malls to obtain discrete Premises Licences, where appropriate safeguards are in place. However, the Authority will pay particular attention if there are issues about sub-divisions of a single building or plot and will ensure that mandatory conditions relating to access between premises are observed.

3.2 The Guidance to Licensing Authorities from the Gambling Commission states “In most cases the expectation is that a single building / plot will be the subject of an application for a licence, for example, 32 High Street. But, that does not mean 32 High Street cannot be the subject of separate premises licences for the basement and ground floor, if they are configured acceptably. Whether different parts of a building can properly be regarded as being separate premises will depend on the circumstances. The location of the premises will clearly be an important consideration and the suitability of the division is likely to be a matter for discussion between the operator and the licensing authority.”

The Commission also states in its Guidance “The Commission does not consider that areas of a building that are artificially or temporarily separated, for example by ropes or moveable partitions, can properly be regarded as different premises. If a premises is located within a wider venue, a licensing authority should request a plan of the venue on which the premises should be identified as a separate unit.” The Guidance also states “The Commission recognises that different configurations may be appropriate under different circumstances but the crux of the matter is whether the proposed premises are genuinely separate premises that merit their own licence – with the machine entitlements that brings – and are not an artificially created part of what is readily identifiable as a single premises.”

The Authority will have particular regard to these paragraphs of the Guidance when considering an application relating to any premises that may be described as being sub-divided.

3.3 The Authority takes particular note of the Gambling Commission’s Guidance which states that: “Licensing authorities should take particular care in considering applications for multiple licences for a building and those relating to a discrete part of a building used for other (non-gambling) purposes. In particular they should be aware of the following:

- The third licensing objective seeks to protect children from being harmed or exploited by gambling and premises should be configured so that children are prohibited from participating in gambling, such that they are not invited to participate in, have accidental access to, or closely observe gambling
- entrances to and exists from parts of a building covered by one or more premises licences should be separate and identifiable so that the separation of different premises is not compromised and people do not “drift” into a gambling

area. In this context it should normally be possible to access the premises without going through another licensed premises or premises with a permit.

- Customers should be able to participate in the activity named on the premises licence.

3.5 The Guidance also gives a list of factors which the Authority should be aware of, when determining whether two or more proposed premises are truly separate and includes:

- Is a separate registration for business rates in place for the premises?
- Is the premises' neighbouring premises owned by the same person or someone else?
- Can each of the premises be accessed from the street or a public passageway?
- Can the premises only be accessed from any other gambling premises?

The Authority will consider these and other relevant factors in making its decision, depending on all the circumstances of the case.

3.6 The mandatory relevant access provisions for each premises type are reproduced below:

Adult Gaming Centre

- No customer must be able to access the premises directly from any other licensed gambling premises.

Betting Shops

- Access must be from a 'street' or from another premises with a betting premises licence.
- No direct access from a betting shop to another premises used for the retail sale of merchandise or services. In effect there cannot be an entrance to a betting shop from a shop of any kind unless that shop is itself a licensed betting premises.

Tracks

- No customer should be able to access the premises directly from a Casino or an Adult Gaming Centre.

Bingo Premises

- No customer must be able to access the premises directly from a casino, Adult Gaming Centre or a betting premises, other than a track.

Family Entertainment Centre

- No customer must be able to access the premises directly from a casino, an Adult Gaming Centre or a betting premises, other than a track.

4. **Location**

4.1 The Authority is aware that demand issues cannot be considered with regard to the location of premises but that considerations in terms of the licensing objectives can. In accordance with the Gambling Commission's Guidance to Licensing Authorities, the Authority will pay particular attention to the protection of children and vulnerable persons from being harmed or exploited by gambling, as well as issues of crime and disorder. Due regard will be given the Local Risk Assessment that will be required where appropriate as referred to in Section 4 of Part A of this Policy.

4.2 In having regard to the location of a premises the Authority will consider:

- the proximity of the premises to schools and vulnerable adult centres
- the proximity of the premises to residential areas where there may be a high concentration of families with children
- the size of the premises and the nature of the activities taking place therein
- any levels of organised crime in the area.

5. **Licensing Objectives**

5.1 A Premises Licences can only be granted if to do so would be reasonably consistent with the licensing objectives. With regard to these objectives, the Authority has considered the Gambling Commission's Guidance to Licensing Authorities and some comments are made below.

5.2 **Preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime -**

The Authority is aware that the Gambling Commission takes a leading role in preventing gambling from being a source of crime. The Gambling Commission's Guidance does however envisage that Authorities should pay attention to the proposed location of gambling premises in terms of this licensing objective. Thus, where an area has known high levels of organised crime the Authority will consider carefully whether gambling premises are suitable to be located there and whether conditions may be suitable such as the provision of door supervisors. The requirement for conditions might be determined by the Operator's own Local Risk Assessment and the local area profile for the area in which the premises are located.

The Authority is aware that disorder is intended to mean activity that is more serious than mere nuisance. In deciding whether disturbance is serious enough to constitute disorder consideration will be given to issues such as whether police assistance was required and how threatening the behaviour was to those who could see it so as to make that distinction.

5.3 **Ensuring that gambling is conducted in a fair and open way -**

The Authority has noted that the Gambling Commission's Guidance has stated in Part 5 "Principles to be applied by licensing authorities" that "Generally the Commission would not expect licensing authorities to find themselves dealing with issues of fairness and openness frequently. Fairness and openness is likely to be a matter for either the way specific gambling products are provided and therefore subject to the operating licence, or will be in relation to the suitability and actions of

an individual and therefore subject to the personal licence. However if the licensing authorities suspect that gambling is not being conducted in a fair and open way this should be brought to the attention of the Commission so that it can consider the continuing suitability of the operator to hold an operating licence or of an individual to hold a personal licence.”

The Authority also notes, however, that the Gambling Commission states in Part 5 “In relation to the licensing of tracks the licensing authorities’ role will be different from other premises in that track operators will not necessarily have an operating licence. In those circumstances the premises licence may need to contain conditions to ensure that the environment in which betting takes place is suitable”.

5.4 Protecting children and other vulnerable persons from being harmed or exploited by gambling -

Children

The Authority has noted in the Gambling Commission’s Guidance that this objective means preventing children from taking part in gambling (as well as there being restrictions on advertising so that gambling products are not aimed at or are particularly attractive to children). The Authority will therefore consider whether specific measures are required at particular premises, with regard to this licensing objective. Appropriate measures may include supervision of entrances / machines, adequate staffing levels with adequate supervision, CCTV, segregation of areas etc. Applicants, Licence Holders and the Authority must also consider the need to protect children from child abuse and sexual exploitation.

The Authority may consider the use of proof of age schemes or restricting access at certain times.

The Authority will pay particular attention to any Codes of Practice which the Gambling Commission issues as regards this licensing objective in relation to specific premises such as bingo premises.

Vulnerable Persons

The Guidance issued by the Commission in relation to vulnerable persons states:

“The Act does not seek to prohibit particular groups of adults from gambling in the same way that it prohibits children. The Commission does not seek to define ‘vulnerable persons’ but it does, for regulatory purposes, assume that this group includes people who gamble more than they want to, people who gamble beyond their means and people who may not be able to make informed or balanced decisions about gambling due to, for example, mental health, a learning disability or substance misuse relating to alcohol or drugs.”

The Authority will also consider, in relation to particular premises, whether any special considerations apply in relation to the protection of vulnerable persons. This could be a local risk referred to in this Policy.

Applicants and Licence Holders may like to have regard to the Safeguarding document entitled North Tyneside and Northumberland Multi-Agency Adult Safeguarding Policy” which provides extensive guidance on identifying vulnerable

people and what can be done to reduce risk to this group. The document can be found at <http://my.northtyneside.gov.uk/category/1033/safeguarding-adults>.

Applicants and Licence Holders should consider using the following measures for protecting and supporting vulnerable persons, for example:

- Leaflets offering assistance to problem gamblers should be available on gambling premises in a location that is both prominent and discreet, such as toilets.
- Training for staff members that build on an employee's ability to maintain a sense of awareness of how much (e.g. how long) customers are gambling, as part of measures to detect persons who may be vulnerable.
- Trained personnel for the purpose of identifying and providing support to vulnerable persons
- Self-exclusion schemes
- Applicants and Operators should demonstrate their understanding of best practice issued by organisations that represent the interests of vulnerable people
- Posters with **BeGambleAware** Helpline and website in prominent locations
- Windows, entrances and advertisements not to be positioned or designed so as to entice passers-by.

6. Licence Conditions

6.1 Conditions may be attached to Premises Licences in a number of ways:

- They may attach automatically, having been set out on the face of the Act;
- They may attach through Regulations made by the Secretary of State; or
- Attached to the licence by the Authority.

6.2 Any conditions attached to licences by the Authority will be proportionate and will be:

- relevant to the need to make the proposed building suitable as a gambling facility;
- directly related to the premises (including the locality and any identified local risks) and the type of licence applied for;
- fairly and reasonably related to the scale and type of premises: and
- reasonable in all other respects.

6.3 Decisions upon the application of any individual condition imposed by the Authority will be made on a case by case basis, although there will be a number of control measures the Authority will consider utilising should there be a perceived need, such as the use of door supervisors, supervision of adult gaming machines, appropriate signage for adult only areas etc. There are specific comments made in this regard under each of the licence types below. The Authority will also expect the applicant for a licence to offer his/her own suggestions as to ways in which the licensing objectives can be met effectively.

6.4 It is noted that there are conditions that the Authority cannot attach to premises licences, which are:

- any condition on the Premises Licence which makes it impossible to comply with an operating licence condition
- conditions relating to gaming machine categories, numbers, or method of operation;
- conditions which provide that membership of a club or body be required. The Gambling Act 2005 specifically removes the membership requirement for casino and bingo clubs and this provision prevents it being reinstated; and
- conditions in relation to stakes, fees, winning or prizes.

Premises Licences will have mandatory conditions attached as well as default conditions as specified in Regulations issued by the Secretary of State.

6.5 The Authority will also consider specific measures which may be required for buildings which are subject to multiple Premises Licences. Such measures may include the supervision of entrances; segregation of gambling from non-gambling areas frequented by children; and the supervision of gaming machines in non-adult gambling specific premises in order to pursue the licensing objectives. These matters are in accordance with the Gambling Commission's Guidance.

6.5 The Authority will also ensure that where Category C or above machines are on offer in premises to which children are admitted:

- All such machines are located in an area of the premises which is separated from the remainder of the premises by a physical barrier which is effective to prevent access other than through a designated entrance;
- Only adults are admitted to the area where these machines are located;
- Access to the area where the machines are located is supervised;
- The area where these machines are located is arranged so that it can be observed by the staff or the licence holder; and
- The area where these machines are located is arranged so that it can be observed by the staff or the licence holder; and
- At the entrance to and inside any such areas there are prominently displayed notices indicating that access to the area is prohibited to persons under 18.

These considerations will apply to premises including buildings where multiple premises licences are applicable.

6.7 The Authority is aware that tracks may be subject to one or more than one Premises Licence, provided each licence relates to a specified area of the track. As per the Gambling Commission's Guidance, the Authority will consider the impact upon the third licensing objective and the need to ensure that entrances to each type of premises are distinct and that children are excluded from gambling areas where they are not permitted to enter.

6.8 Given the fact that the mandatory conditions have been set by the Secretary of State with the intention that no further regulation in relation to that matter is required it will be extremely unlikely that the Authority will need to impose conditions that would create a more restrictive regime in relation to matters already dealt with by the mandatory conditions. The Authority will however consider imposing such conditions where there are regulatory concerns of an exceptional nature.

- 6.9 In relation to the default conditions the Authority may exclude a condition and substitute it with a more or less restrictive condition following a licensing hearing. Each application will be determined on its own merits in terms of any need to exclude and/or substitute any of the default conditions. The Authority will however have to have clear regulatory reasons for excluding default conditions which are replaced with more restrictive ones.
- 6.10 The Authority can, as noted above, impose specific conditions on any Premises Licence in determining whether or not to do so will have regard to the relevant code of practice issued by the Gambling Commission; the Guidance issued by the Gambling Commission; the need to be reasonably consistent with the licensing objectives and this Policy.
- 6.11 Where relevant objections are made to an application for a Premise Licence the Authority will consider whether the objections can be dealt with adequately through the use of conditions.
- 6.12 The Gambling Commission advises in its Guidance that if a Authority is concerned that a premises may attract disorder or be subject to attempts at unauthorised access (for example by children and young persons) then it may require that the entrances to the premises are controlled by a door supervisor, and is entitled to impose a condition to this effect.

7. **Adult Gaming Centres**

7.1 This Authority will specifically have regard to the need to protect children and vulnerable persons from harm or being exploited by gambling and will expect the applicant to satisfy the authority that there will be sufficient measures in place to ensure that under 18 year olds do not have access to the premises. Appropriate licence conditions may cover such issues as:

- Proof of age schemes
- CCTV
- Door supervisors
- Supervision of entrances / machine areas
- Physical separation of areas
- Location of entry
- Notices / signage
- Specific opening hours.

This list is not exhaustive.

7.2 As regards the protection of vulnerable persons, the Authority will consider measures such as the use of self-barring schemes, provision of information leaflets / helpline numbers for organisations such as **BeGambleAware**.

8. **Licensed Family Entertainment Centres**

8.1 The Authority will specifically have regard to the need to protect children and vulnerable persons from harm or being exploited by gambling and will expect the applicant to satisfy the authority that there will be sufficient measures in place to ensure that under 18 year olds do not have access to the adult only gaming machine areas. Appropriate licence conditions may cover issues such as:

- Proof of age schemes
- CCTV
- Door supervisors
- Supervision of entrances / machine areas
- Physical separation of areas
- Location of entry
- Notices / signage
- Specific opening hours

This list is not exhaustive.

- 8.2 With regard the protection of vulnerable persons, the Authority will consider measures such as the use of self-barring schemes, provision of information leaflets / helpline numbers for organisations such as **BeGambleAware**.
- 8.3 The Authority will, in accordance with the Gambling Commission's Guidance to Licensing Authorities, have regard to the conditions that apply to Operating Licences dealing with preventing access to Category C machines by under 18's. The Authority will also make itself aware of any mandatory or default conditions on these Premises Licences.

9. **Casinos**

- [9.1 The Authority passed a no casino resolution on xxx, such resolution taking effect on xxx. This resolution will remain in force for a period of 3 years commencing on xxx, unless the Authority passes a further resolution revoking the no casino resolution.]

Or

- [9.1 The Licensing Authority has not passed a no casino resolution under section 166 of the of the Gambling Act 2005, but is aware that it has the power to do so. Should the Licensing Authority decide in the future to pass such a resolution, it will update this policy statement with details of the resolution.]

10. **Credit**

- 10.1 The Authority has noted that the Gambling Commission has stated in its Guidance at Part 9 that, "s.177 [of the Gambling Act 2005] does not prevent the licensee from contracting a third party to install cash dispensers (ATMs) on their premises, which may accept both credit and debit cards. Such an arrangement is subject to requirements that the premises licence holder has no other commercial connection in relation to gambling with the provider of the ATMs (aside from the agreement to site the machines), does not profit from the arrangement, and does not make any payment in connection with the machines. All premises licences also include a mandatory condition which requires that any ATM made available for use on the premises must be located in a place that requires any customer who wishes to use it to cease gambling in order to do so (Part1(5) of the Gambling Act 2005 (Mandatory and Default Conditions) Regulations)."

11. **Bingo Premises**

11.1 The Authority notes the Gambling Commission's Guidance at Part 18 which states that "Licensing authorities need to satisfy themselves that bingo can be played in any bingo premises for which they issue a premises licence. An operator may choose to vary their licence to exclude a previously licensed area of that premises, and then apply for a new premises licence, or multiple new premises licences, with the aim of creating separate premises in that area. Essentially providing multiple licensed premises within a single building or site. Before issuing additional bingo premises licences, licensing authorities need to consider whether bingo can be played at each of those new premises."

12. **Betting Premises**

12.1 It is noted that the Gambling Commission's Guidance at Part 19 states that: "Section 181 [of the Gambling Act 2005] contains an express power for licensing authorities to restrict the number of SSBTs [Self Service Betting Terminals], their nature and the circumstances in which they are made available by attaching a licence condition to a betting premises licence or to a casino premises licence (where betting is permitted in the casino). When considering whether to impose a condition to restrict the number of SSBTs in particular premises, the licensing authority, amongst other things, should take into account the ability of employees to monitor the use of the machines by children and young persons or by vulnerable people."

13. **Tracks**

13.1 A track is defined under the Act as a horse racecourse, greyhound track or other premises or any part of which a race or other sporting event takes place or is intended to take place.

13.2 The Act does not give a list of premises that are officially recognised as 'tracks' but there are a number of venues where sporting events do or could take place, and accordingly could accommodate the provision of betting facilities. Examples of racks include:

- a horse racecourse (referred to in this Guidance as 'racecourses')
- a greyhound track
- a point-to-point horserace meeting
- football, cricket and rugby grounds
- an athletics stadium
- a golf course
- venues hosting darts, bowls, or snooker tournaments
- a premises staging boxing matches
- a section of river hosting a fishing competition
- a motor racing event.

This list is not exhaustive.

13.3 There may be some specific considerations with regard to the protection of children and vulnerable persons from being harmed or exploited by gambling and the

Authority would expect Premises Licence applicants to demonstrate suitable measures to ensure that children do not have access to adult only gaming facilities. It is noted that children and young persons will be permitted to enter track areas where facilities for betting are provided on days when dog-racing and/or horse racing takes place, although they are still prevented from entering areas where gaming machines (other than category D machines) are provided.

13.4 Appropriate licence conditions may be:

- Proof of age schemes
- CCTV
- Door supervisors
- Supervision of entrances / machine areas
- Physical separation of areas
- Location of entry
- Notices / signage
- Specific opening hours
- The location of gaming machines.

This list is not exhaustive.

13.5 With regard to the protection of vulnerable persons, the Authority will consider measures such as the use of self-barring schemes, provision of information leaflets / helpline numbers for organisations such as **BeGambleAware**.

14. **Travelling Fairs**

14.1 It will fall to the Authority to decide if category D machines and / or equal chance prize gaming without a permit is to be made available for use at travelling fairs. It is a statutory requirement that the facilities for gambling must amount to no more than an ancillary amusement at the fair.

14.2 The Authority will also consider whether the fair falls within the statutory definition of a travelling fair under the Act.

14.3 It has been noted by the Authority that the 27-day statutory maximum for the land being used as a fair, is per calendar year, and that it applies to the piece of land on which the fairs are held, regardless of whether it is the same or different travelling fairs occupying the land. The Authority will work with its neighbouring authorities to ensure that land which crosses our boundaries is monitored so that the statutory limits are not exceeded.

15. **Provisional Statements**

15.1 A provisional statement application is a process which allows a developer to examine the likelihood of whether a building which has yet to be constructed or is about to be altered for the purpose of gambling, would be granted a premises licence when the building work is complete. A provisional statement is not a licence and merely gives the holder some form of guarantee that a premises licence would be granted so the project can be started. Once works are complete a premises licence will still be required.

- 15.2 If a potential operator does not have a right to occupy premises but expects to acquire a right to occupy then an application for a provisional statement should be considered.
- 15.3 In terms of representations about a Premises Licence application, following the grant of a Provisional Statement, no further representations from Responsible Authorities or Interested Parties can be taken into account unless they concern matters which could not have been addressed at the time of the application for the Provisional Statement stage, or they reflect a change in the applicant's circumstances. In addition, the Authority may refuse the Premises Licence (or grant it on terms or conditions not included in the Provisional Statement) only by reference to matters:
- a) which could not have been raised by objectors at the application for the provisional licence stage; or
 - b) which in the Authority's opinion reflect a change in the applicant's circumstances; or
 - c) where the premises have not been constructed in accordance with the plan submitted with the application. This must be a substantial change to the plan and licensing authorities can discuss any concerns they have with the applicant before making a decision.
- 15.4 Section 210 of the Gambling Act 2005 makes it clear that the Authority must not have regard to whether or not a proposal by the applicant is likely to be permitted in accordance with planning or building law

16. **Reviews**

- 16.1 Application for a review of a Premise Licence can be made by Interested Parties or Responsible Authorities. In addition the Authority itself may in certain circumstances decide to conduct a review. Where application for a review is made by an Interested Party or Responsible Authority it is for the Authority to decide whether the review is to be undertaken. This will be determined on the basis of whether the request for the review is relevant to the matters listed below, as well as consideration being given as to whether the request is frivolous, vexatious or repetitious, or will certainly not cause the Authority to wish to take action of a kind open to it on completing a review, or are substantially the same as grounds specified in an earlier application for a review or in relation to the application for the relevant Premise Licence. In determining any request for a review application the Authority will determine the matter as far as the Authority thinks it:
- in accordance with any relevant code of practice issued by the Gambling Commission
 - in accordance with any relevant guidance issued by the Gambling Commission
 - reasonably consistent with the licensing objectives subject to the matters set out in the above two bullet points and
 - in accordance with the authority's statement of licensing policy subject to the matters set out in the above three bullet points
- 16.2 If the Authority intends to undertake a review of the Premises Licence notice of such review will be given in accordance with the Regulations.

- 16.3 Any Interested Party or Responsible Authority (other than the Authority) will need to state their reasons for seeking a review and produce supporting information or documents.
- 16.4 Once a valid application for a review has been received by the authority, representations can be made by Responsible Authorities and interested parties during a 28 day period. This period begins 7 days after the application was received by the Authority, who will publish notice of the application within 7 days of receipt.
- 16.5 The Authority must carry out a review hearing as soon as possible after the 28 day period for making representations has passed.
- 16.6 It will be for the Authority to determine what action to take, if any, following a review hearing in accordance with Section 202 of the Act. The Authority may:
- Add, remove or amend a condition imposed by the Authority
 - Exclude a default condition or remove or amend an exclusion
 - Suspend the premises licence for up to three months
 - Revoke the premises licence
- 16.7 In determining what action if any, should be taken following a review, the Authority must have regard to the principles set out in Section 153 of the Act, as well as any relevant representations.
- 16.8 In particular, the Authority may also initiate a review of a premises licence on the grounds that a premises licence holder has not provided facilities for gambling at the premises. This is to prevent people from applying for licences in a speculative matter without intending to use them.
- 16.9 Once the review has been completed, the Authority must, as soon as possible, notify the decision to:
- The licence holder
 - The applicant for review (if any)
 - The Commission
 - Any person who made representations
 - The Chief Officer of Police or Chief Constable; and
 - Her Majesty's Revenue and Customs

17. **Appeals**

- 17.1 Where a Premises Licence application is refused the Applicant may appeal against the decision of the Authority. Where a Premises Licence is granted an Applicant and any Interested Party or Responsible Authority who made relevant representations can appeal. Appeal is to the Magistrates Court within 21 days of receipt of the decision notice.
- 17.2 Following a review application, the licensee, an interested person or a Responsible Authority who made representations in relation to the review, the person (if any) who applied for the review and Gambling Commission have a right of appeal to the Magistrates' Court within 21 days of receipt of the decision notice.

- 17.3 In relation to a transfer application and decision the licensee and the applicant for transfer have a right of appeal to the Magistrates' Court within 21 days of a decision notice.
- 17.4 In relation to an Application for a Temporary Use Notice either the applicant or person entitled to receive a copy of such notice has a right of appeal to the Magistrates' Court within 21 days of a decision notice.

Part C

Permits/temporary and Occasional Use Notice

1. General Principles – Permits

- 1.1 The Gambling Act 2005 introduces a range of permits which are granted by Authorities. Permits as opposed to Premises Licences are required when premises provide a gambling facility but either the stakes and prizes are very low or gambling is not the main function of the premises. The permits regulate gambling and the use of gaming machines in a specific premises.
- 1.2 This Authority has adopted a Statement of Principles which is found at Part E of this Statement in relation to applications for certain Family Entertainment Centre Gaming Machine Permits and Prize Gaming Permits. Applicants for those types of Permit should refer to Part E of this Statement of Licensing Policy.

2. Unlicensed Family Entertainment Centre Gaming Machine Permits (Schedule 10 of the Gambling Act 2005)

- 2.1 These Permits relate to unlicensed Family Entertainment Centres (uFECs) which can only offer category D gaming machines. Any number of such gaming machines can be offered under the Permit (subject to fire regulations and health and safety regulations). If the Application for a Permit is made by an individual that person must be over 18 years of age.
- 2.2 The Chief Officer of Police will be consulted in relation to such applications. Any Permit issued will last for 10 years unless it lapses or is surrendered or forfeited.
- 2.3 Where premises do not have the benefit of a Premise Licence and the occupier wishes to provide gaming machines from that premises, an application may be made to the Authority for a Family Entertainment Centre Gaming Machine Permit. It should be noted that the applicant must show that the premises will be wholly or mainly used for making gaming machines available for use.
- 2.4 An application for a Family Entertainment Gaming Machine Permit may be granted only if the Authority is satisfied that the premises will be used as an uFEC, and if the chief officer of police has been consulted on the application. Relevant considerations to take into account would be the applicant's suitability, such as any previous convictions that they may have that would make them unsuitable to operate a uFEC; and the suitability of the premises in relation to their location and issues about disorder.
- 2.5 In making its decision on an application for a Family Entertainment Centre Gaming Machine Permit, the Authority need not, but may, have regard to the licensing objectives. It shall have regard to any Gambling Commission's Guidance to Licensing Authorities.
- 2.6 The Authority will expect the applicant to show that there are policies and procedures in place to protect children from harm. Harm in this context is not

limited to harm from gambling but includes wider child protection considerations including child abuse and sexual exploitation.

2.7 It should be noted that the Authority cannot attach conditions to this type of permit.

2.5 With regard to renewals of these Permits, the Authority may refuse an application for renewal only on the grounds that an authorised local authority officer has been refused access to the premises without reasonable excuse, or that renewal would not be reasonably consistent with the pursuit of the licensing objectives.

3. **Alcohol Licensed Premises Gaming Machine Permits – (Schedule 13 of the Gambling Act 2005)**

3.1 The holder of a Premises Licence issued under the Licensing Act 2003 which entitles the holder to supply alcohol for consumption on the premises will automatically be entitled to up to 2 gaming machines on those premises of categories C or D. To take advantage of this entitlement the licence holder must give notice of their intention to make gaming machines available for use to the Authority and pay the prescribed fee. The Authority has no discretion and cannot refuse this entitlement if notification is satisfactorily given.

3.2 The Authority can remove the automatic authorisation in respect of any particular premises by way of order if:

- provision of the machines is not reasonably consistent with the pursuit of the licensing objectives;
- gaming has taken place on the premises that breaches a condition of section 282 of the Gambling Act.
- the premises are mainly used for gaming; or
- an offence under the Gambling Act has been committed on the premises

3.3 Before making such an order however the licence holder will be given at least 21 days' notice of the intention to make the order. The Authority will consider any representations made by the licence holder and hold a hearing before a licensing sub-committee if they request this. The licence holder can appeal to the Magistrates' Court against the order removing the automatic entitlement to two gaming machines on licensed premises.

3.4 Where an On-Premises Alcohol Licence Holder wishes to offer more than 2 gaming machines from licensed premises, that licence holder must apply to the Authority for a Licensed Premises Gaming Machine Permit. That application will state the category and number of gaming machines being sought under the Permit. The Authority in determining the application will have regard to the licensing objectives and the Guidance to Licensing Authorities published by the Gambling Commission. If the Authority is minded to refuse an application for a Permit, or to grant a Permit but with a different category or number of machines sought by the applicant, the applicant will be notified of the reasons and will be given an opportunity to make representations either orally or in writing, or both, to the Authority.

3.5 The Permit will cease to have effect if the On-Premises Alcohol Licence ceases to have effect for those premises, the Permit holder ceases to be the holder of the On-Premises Alcohol licence or if the Permit is surrendered, cancelled or forfeited.

- 3.6 In addition to considering the licensing objectives and the Guidance to Licensing Authorities published by the Gambling Commission when determining an application for a Alcohol Licensed Premises Gaming Machine Permits, the Authority can also have regard to “such other matters” as it thinks relevant. The Authority considers that “such other matters” will be decided on a case-by-case basis but generally there will be regard given to the need to protect children and vulnerable persons from harm or being exploited by gambling. The Authority will expect the applicant to satisfy it that there will be sufficient measures in place to ensure that under 18 year olds do not have access to the adult only gaming machines. Measures that will satisfy the Authority that there will be no access to such machines may include the machines being in clear sight of the bar, or in the clear sight of staff who will monitor those machines to ensure that they are not being used by those under 18. Notices and signage may also be helpful. As regards the protection of vulnerable persons applicants may wish to consider the provision of information leaflets / helpline numbers for organisations such as **BeGambleAware**.
- 3.7 When an Alcohol Licensed Premises Gaming Machine Permit is granted this effectively replaces, and is not in addition to, the automatic entitlement to two gaming machines.
- 3.8 The Authority cannot attach conditions to this type of Permit.
- 3.9 The applicant may appeal to the Magistrates’ court against the Authority’s decision not to issue a Permit, to issue a Permit with a smaller number of machines applied for, a different category of machine than applied for or the cancellation of a Permit. Any appeal must be made within 21 days of receipt of the notice of the decision.
- 3.10 It should also be noted that the holder of a permit must comply with The Code of Practice for gaming machines in clubs and premises with an alcohol licence published by the Gambling Commission concerning the location and operation of the machines.
4. **Prize Gaming Permits – (Schedule 14 of the Gambling Act 2005)**
- 4.1 An application for a Prize Gaming Permit cannot be made if there is Premises Licence or Club Gaming Permit in force in relation to the premises.
- 4.2 Any individual who applies must be over 18 years. The application will specify the nature of the gaming for which the permit is sought. The Chief Officer of Police will be consulted in relation to such applications.
- 4.3 If the Authority is minded to refuse an application then reasons for the refusal will be given to the applicant who will be given an opportunity to make oral or written representations or both before any decision is formally taken to refuse the application or not. Upon receipt of such representations a licensing sub-committee will determine the matter.
- 4.4 In determining the application for this type of Permit the Authority need not, but may, have regard to the licensing objectives and to the Guidance to Licensing Authorities published by the Gambling Commission.
- 4.5 A permit will last for 10 years unless it lapses, is surrendered or is forfeited.

- 4.6 It should be noted that the Authority cannot attach conditions to the Permit. There are however four conditions that section 293 of the Gambling Act 2005 specifies should apply in relation to prize gaming (whether authorised by a Permit, taking place in an Adult Gaming Centre, Family Entertainment Centre or travelling fair namely:
- the limits on participation fees, as set out in regulations (The Gambling Act 2005 (Limits on Prize Gaming) Regulations 2009) must be complied with
 - all chances to participate in the gaming must be allocated on the premises on which the gaming is taking place and on one day; the game must be played and completed on the day the chances are allocated; and the result of the game must be made public in the premises on the day that it is played
 - the prize for which the game is played must not exceed the amount set out in Regulations (if a money prize), or the prescribed value (if non-monetary prize)
 - participation in the gaming must not entitle the player to take part in any other gambling.
- 4.7 The applicant may appeal to the Magistrates' court against the Authority's decision not to issue a Permit or to renew the Permit. Any appeal must be made within 21 days of receipt of the notice of the decision.

5. **Club Gaming and Club Machines Permits (Schedule 12 of the Gambling Act 2005)**

Club Gaming Permits

- 5.1 Members Clubs and Miners' Welfare Institutes (but not Commercial Clubs) may apply for a Club Gaming Permits which authorise the establishments to provide gaming machines, equal chance gaming and games of chance in accordance with The Gambling Act 2005 (Club Gaming Permits) (Authorised Gaming) Regulations 2007.
- 5.2 The Club Gaming Permit will enable the premises to provide no more than three gaming machines from categories B3A, B4, C or D but only one B3A can be used under this entitlement.
- 5.3 Where a club has gaming machines, it is required to comply with the code of practice issued by the Gambling Commission on the location and operation of gaming machines.
- 5.4 There are limits on stakes and prizes for poker played in those clubs and institutes that do not hold a club gaming permit issued by their local Authority. The holder of a Club Gaming Permit is advised to refer to The Gambling Act 2005 (Exempt Gaming in Clubs) Regulations 2007 to understand the limits on stakes and prizes.

Club Machine Permits

- 5.5 If a Members' Club or a Miners' Welfare Institute does not wish to have the full range of facilities permitted by a Club Gaming Permit, they may apply to the Authority for a Club Machine Permit. This authorises the holder of the Permit to have up to three category B3A, B4, C or D gaming machines.
- 5.6 Premises which operate membership-based social clubs (often work premises) can apply for a Club Machine Permit. The permit will allow up to three machines of category B3A, B4, C or D but only one B3A machine can be sited as part of this entitlement.

Applications for Club Gaming Permits and Club Machine Permits

- 5.7 Applications for Club Gaming Permits and Club Machine Permits must be made to the Authority with the fee. A copy of the application must be sent to the Gambling Commission and the Chief Officer of Police. The Commission and the Police have 28 days, beginning on the date on which the application was made to the Authority, to object to the granting of either type of Permit.
- 5.8 If a valid objection is received the Authority will hold a hearing before a Licensing Sub-Committee to determine the application.
- 5.9 The Authority in granting a Permit cannot add conditions to it.
- 5.10 The Authority may only refuse an application on the grounds that it is satisfied that:
- The applicant is not a Members' Club or a Miners' Welfare Institute, or
 - that the premises on which the applicant conducts its activities are used wholly or mainly by children, by young persons or by both,
 - that an offence, or a breach of a condition of a Permit, has been committed in the course of gaming activities carried on by the applicant,
 - that a permit held by the applicant has been cancelled during the period of ten years ending with the date of the application, or
 - that an objection to the application has been made by the Gambling Commission or by the Chief Officer of Police.
- 5.11 In determining whether a club is a genuine Members' Club, the Authority will take account of a number of matters, including (but not limited to):
- Is the primary purpose of the club's activities something other than the provision of gaming to its members? This is an indicator that it's a genuine Members' Club.
 - Are the profits retained in the club for the benefit of the members? This is the key difference between a Members' Club and a commercial club
 - Are there 25 or more members? This is the number of members a club has to have to qualify.
 - Are there genuine domestic addresses on the register of members? Are domestic addresses listed for every member? Are members local to the club? These are all indicators that the member lists are bona fide and are made up of genuine members.
 - Do members participate in the activities of the club via the internet? It is less likely to be a genuine Members' Club if this is the case.

- Do guest arrangements link a member to every guest? Is there evidence of a signing-in register for guests? Guests must be genuine guests of members and not members of the general public.
- Is the 48-hour rule between applying for membership and participating in any gaming properly applied? This is an indication that the club has a proper membership scheme.
- Are there annual accounts for more than one year? This would indicate that the club is permanent in nature, rather than temporary.
- How is the club advertised and listed in directories, including on the internet? If the club is categorised under 'gaming' or 'poker', it is less likely to be genuine Members' Club.
- What information is provided on the club's website? This can be a useful source of information about the club.
- Are children permitted into the club? Appropriate access to the premises by children may indicate that it is less likely that the club is primarily for gambling activities.
- Does the club have a constitution, and can it provide evidence that the constitution was approved by the members of the club? This provides further evidence that it is a properly constituted Members' Club.
- Is there a list of committee members and evidence of their election by the members of the club? Can the club provide minutes of committee and other meetings? These are further evidence that the club is a properly constituted Members' Club.

5.12 The Authority will also have regard to the constitution of a club as this could also indicate whether it is a legitimate Members' Club. The Authority will take account of a number of matters, including (but not limited to):

- Who makes commercial decisions on behalf of the club and what are the governance arrangements? Clubs are normally run by a committee made up of members of the club, rather than individuals or managers, who make decisions on behalf of the members. There will normally be a system (consultation, voting, paper ballots, annual general meetings, special meetings etc) which allows members to be involved in major decisions concerning the management and running of the club. Such arrangements would normally be spelt out in the constitution.
- Are the aims of the club set out in the constitution? A lack of aim or aims which involve gaming could indicate that it is not a genuine Members' Club.
- Are there shareholders or members? Shareholders would indicate a business enterprise linked to a commercial club.
- Is the Members' Club permanently established? Clubs can't be temporary and must be permanent in nature.
- Can people join with annual or quarterly membership? This would indicate that the club is permanent in nature.
- Are there long-term membership benefits? This would also indicate that the club is permanent in nature and that it is a genuine Members' Club. The benefits of membership would normally be set out in the rules of membership.

5.13 The Authority must satisfy itself that the gaming on offer at a club meets the conditions set out in the Gambling Act 2005 and the relevant Regulations. To do

this, the Authority may wish to ask questions of the applicant or ensure that the exempt gaming complies with these conditions.

- 5.14 Once the Authority has issued a Club Gaming Permit, various aspects need to be considered by the Authority in monitoring the Club Gaming Permit. In addition to monitoring whether the club continues to meet the requirements of the Gambling Act 2005 for a Club Gaming Permit (that is, whether it remains a genuine Members' Club) and whether the gaming meets the conditions set out in the Act and the relevant Regulations.
- 5.15 A Permit will have effect for ten years, unless it ceases to have effect because it is surrendered or lapses or is renewed. A Permit granted under the fast-track procedure to a club or institution holding a Club Premises Certificate granted under section 72 of the Licensing Act 2003 does not expire, unless it ceases to have effect because it is surrendered, cancelled or forfeited or it lapses.

The Fast-Track Procedure

- 5.16 It should be noted that there is a 'fast-track' procedure available for premises which hold a Club Premises Certificate under section 72 of The Licensing Act 2003. As the Gambling Commission's Guidance to Licensing Authorities states at in Part 6 at paragraph 25.41: "Under the fast-track procedure there is no opportunity for objections to be made by the Commission or the police, and the grounds upon which an authority can refuse a permit are reduced". This is because the Club or Institute has been through a licensing process. As commercial clubs cannot hold a Club Premises Certificate under the Licensing Act 2003 the fast-tack procedure is not available to such establishments.
- 5.17 The grounds on which an application under the fast-track procedure process may be refused are:
- that the club is established primarily for gaming, other than gaming prescribed under section 266 of the Gambling Act 2005;
 - that in addition to the prescribed gaming, the applicant provides facilities for other gaming; or
 - that a club gaming permit or club machine permit issued to the applicant in the last ten years has been cancelled.
- 5.18 If the Authority rejects an application for either type of Permit or refuses to renew a Permit the applicant has 21 days from notification of the decision to appeal to the Magistrates' court.

The grounds on which an application under the process may be refused are:

- a. that the club is established primarily for gaming, other than gaming prescribed under schedule 12;
- b. that in addition to the prescribed gaming, the applicant provides facilities for other gaming; or
- c. that a club gaming permit or club machine permit issued to the applicant in the last ten years has been cancelled.

Cancellation of a Permit

5.19 The Authority may cancel the Permit if:

- the premises are used wholly by children and/or young persons
- an offence or breach of a Permit condition has been committed in the course of gaming activities by the Permit holder.

5.20 Before cancelling a Permit, Authority must give the Permit holder at least 21 days' notice of the intention to cancel and consider any representations that they may make. The Authority must hold a hearing if the Permit holder so requests. The Authority must notify the permit Holder, the Gambling Commission and Chief Officer of Police that the Permit has been cancelled and the reasons for the cancellation.

5.21 If the Authority cancels a Permit, the applicant has 21 days from notification of the decision to appeal to the Magistrates' court.

6. Temporary Use Notices (Part 9 of the Gambling Act 2005)

6.1 A Temporary Use Notice is not as such granted by the Authority. Rather the person seeking to rely on the Temporary Use Notice serves the Notice on the Authority (and on certain specified authorities) and the Authority endorses the Notice (provided it complies with the requirements of the Gambling Act 2005) . Where there are objections to the Notice, the Authority will hear the objections and then either serve a Counter-Notice that the Temporary Use Notice should not have effect, or should have effect subject to modifications, or dismiss the objections and endorse the Temporary Use Notice.

6.2 A Temporary Use Notice may only be given by the holder of a relevant Operating Licence. Where a Temporary Use Notice has effect, it allows the use of a "set of premises" for gambling where there is no Premises Licence and allows premises such as hotels, conference centres or sporting venues to be used temporarily for providing facilities for gambling.

6.3 The holder of an Operating Licence will give the Temporary Use Notice to the Authority and will specify in that Notice:

- the gambling activities to be carried on
- the premises where it will take place
- the dates and times that gambling will take place
- the period of time during which the Notice is to have effect
- specify any periods during the previous 12 months that a Temporary Use Notice had had effect for the same premises
- specify the date on which the Notice is given
- contain any other information that the Secretary of State prescribes.

6.4 The same set of premises may not be the subject of a Temporary Use Notice for more than 21 days in any 12 months period but may be subject to several Notices provided that the total does not exceed 21 days. The Authority must issue a Counter Notice if the above limit of 21 days is exceeded. However, the Authority

will, where the Notice could have effect for part of the period in the Notice, after consultation with the Applicant to issue a Counter-Notice limiting the number of days under the Notice to bring it within the 21 days permitted.

- 6.5 The applicant must give the Temporary Use Notice with the Authority not less than three months and one day before the day on which the gambling event will begin. The Notice must be copied to:
- the Gambling Commission
 - the Police
 - HM Revenues and Customs; and, if applicable
 - any other Authority in whose area the premises are situated.
- 6.6 If there are no objections (see below) the Authority must endorse the Notice whereupon it will become valid.
- 6.7 Within 14 days of being given the Temporary Use Notice the Authority and the Authorities to which the Notice has been copied can give a Notice of Objection, if they think that having regard to the licensing objectives the Notice should not have effect, or should have effect only with modification. Any Notice of Objection (not given by the Authority) is copied to the Authority. Upon receipt of any Notice of objection there will be a hearing before the licensing sub-committee (unless all relevant parties agree in writing that a hearing is unnecessary). Following consideration of the objections the Authority may either give a Counter-Notice that the Temporary Use Notice should not have effect, or should have effect only with specified modifications or dismiss the objections. If the objections are dismissed they will endorse the Temporary Use Notice.
- 6.8 An appeal against the Authority's decision may be made by the applicant, or any person entitled to receive a copy of the Temporary Event Notice, to the Magistrates' court within 14 days of receiving notice of the Authority's decision. There is a further right of appeal to the High Court on a point of law.

7. Occasional Use Notices (Section 39 of the Gambling Act 2005)

- 7.1 This type of Notice permits betting on a track on eight days or less in a calendar year without the need for a Premises Licence.
- 7.2 Occasional Use Notices are designed to allow licensed betting operators to provide betting facilities at genuine sporting events (such as point-to point racecourses and golf courses for major competitions) within the boundaries of the identified venue on a specific date.
- 7.3 Any such Notice must be served by a person responsible for the administration of events on the track or by an occupier of the track.
- 7.4 The following should be noted in relation to this type of Notice:
- The Notice can only be relied upon for eight days or fewer in a calendar year and therefore authorities should keep a record of the number of notices served in relation to each track. The period of eight days applies to the venue and not the individual who has submitted the notice.

- The Notice must be submitted for each day that betting activity will be conducted on the premises. If betting activity is to be held over a period of eight consecutive days, the operator will be required to submit eight separate notices.
- The Notice must specify the day on which it has effect. An event running past midnight and ending on the following day accounts for two occasional use days, even though in practice it is one event.
- No objection or counter notice (refusal) is possible unless the maximum number will be exceeded.
- The Notice must be given to the Authority and the Chief Officer of Police, in writing, before the event starts.
- No premises licence can exist for the place which is the subject of the Notice.
- Land can be used temporarily as a track, for example for a point-to-point race, provided that sporting events or races take place there. There is no need for a track to be permanently established.

7.5 While tracks are normally thought of as permanent racecourses, the Authority notes that the meaning of ‘track’ in the Gambling Act 2005 covers not just horse racecourses or dog tracks, but also any other premises on any part of which a race or other sporting event takes place or is intended to take place (s.353(1)). This means that land which has a number of uses, one of which fulfils the definition of track, can qualify for the occasional use notice provisions, for example agricultural land upon which a point-to-point meeting takes place.

7.6 Part 20 of The Gambling Commission’s Guidance to Licensing Authorities which relates to guidance on “tracks” should be consulted.

7.7 It must be noted that an Occasional Use Notices do not permit betting operators to provide gaming machines at tracks by virtue of this type of Notice.

Statement of principles applied by North Tyneside Authority when applications are received for permits for Family Entertainment Centre Gaming Machine Permits, and Prize Gaming Permits

1. This Statement of Principles has been prepared in order to provide guidance to applicants, the Responsible Authorities, members of the public, Members and Officers. The Statement of Principles will assist applicants with the preparation of their applications for Permits and state the documentation and information which they are required to produce in support of their application and assist Responsible Authorities in making any representations as well as setting out the matters which members and officers will take into consideration when determining such applications.
2. This Statement of Principles relates to applications made for the following types of permit:
 - i) Applications for Family Entertainment Centre Gaming Machine Permits.
 - ii) Applications for Prize Gaming Permits.
3. This Statement of Principles does not apply to Club Gaming Permit, Club Machine Permit or Licensed Premises Gaming Machine Permit applications as the Gambling Act 2005 sets out different requirements in relation to applications for those types of permit.
4. The Licensing Officer has the delegated authority to consider all applications for Permits and can either grant an application for a Permit or make an initial decision to refuse to grant any such Permit.
5. As soon as reasonably practicable after the initial decision to refuse an application for a Permit is made, the Licensing Officer will write to the Applicant notifying him of the refusal and provide reasons for that decision.
6. In such circumstances the Licensing Officer will invite an applicant to make oral representations, written representations or both within 28 days of receipt of notification of the refusal. If such representations are received they will be referred to a Licensing Sub-Committee for consideration and the Applicant if they wish to do so can request a hearing before the Licensing Sub-Committee to make oral representations.
7. The Licensing Sub-Committee will forward a written notice of its decision and reasons for that decision to the Applicant within five working days of the Licensing Sub-Committee's determination of the application.

8. The type of permit being applied for will determine the documentation and information which needs to be submitted to the Authority in support of any application for a permit. The documentation and information which needs to be submitted is as follows:

(a) Family Entertainment Centre Gaming Machine Permit

The Authority will have regard to:

- the application form duly completed in full
- a plan of the premises showing the number and location of any gaming machines, points of access for the public, location of fire extinguishers, location of smoke detectors
- insurance certificate (or certified copy certified by a Solicitor/Commissioner for Oaths or notary) confirming the availability of public liability insurance
- appropriate fee
- that the applicant has demonstrated the following: -
 - a full understanding of the maximum stakes and prizes of the gambling that is permissible
 - has no relevant convictions
 - that staff are trained to have a full understanding of the maximum stakes and prizes.
 - An awareness the need to prevent child abuse and sexual exploitation and how to spot the possible signs of such abuse and what action should be taken in that regard.

The Authority will consider any representations made by the Police and the North Tyneside Safeguarding Partnership in relation to such matters and will attach such weight to those representations as considered appropriate.
