

## **2022/23 Budget Engagement Strategy**

North Tyneside Council is committed to being an organisation that works better for residents and to ensure that it listens and cares. This commitment includes giving residents and other key stakeholders an opportunity to be involved in the Financial Planning and Budget process.

The Authority's overall approach to engagement ensures that the public have opportunities to have their say throughout the year, through a series of different methods, including engaging with the Elected Mayor, Cabinet and ward members and through activities such as the Big Community Conversation. Due to the restrictions of the Covid Pandemic our face-to-face engagement has been limited but the Authority has increased the amount of online engagement which included the first ever virtual State of The Area event and interactive engagement regarding the North Shields Master Plan.

In all its engagement activity, the Authority is committed to ensuring that residents with protected characteristics, as set out in the 2010 Equality Act, can participate. In line with this an Equality Impact Assessment has been undertaken on the 2022/23 Budget Engagement Strategy and this is available on request.

In line with the proposed 2022-2026 Financial Planning and Budget Process as set out in Appendix B, engagement on Cabinet's initial budget proposals will take place from November 2021 to January 2022. The engagement approach is set out below.

### **Target Audiences**

The aim of the Budget Engagement Strategy is to reach different sectors of the population through an approach that encompasses engagement with residents as a whole and customers/users of services as well as particular groups of people, including those with protected characteristics. The approach also ensures reach with particular interest groups such as carers, older people, children and young people and council housing tenants.

The Budget Engagement Strategy also ensures targeted activity with the following specific external and internal stakeholder groups:

#### External stakeholder groups

### Approach

The Authority's approach aims for maximum reach by offering a range of different opportunities for people to have their say. In line with the Authority's corporate engagement strategy the approach will be consistent with the following principles

- Inclusive - making sure that everyone can engage in the process
- Clear - being clear on the aims of the engagement activity at the outset and the extent to which residents and others can be involved
- Integrated - ensuring that engagement activities are joined up with the relevant decision-making processes
- Tailored - aiming to better understand our audience and using different methods appropriately to enable and encourage people to be involved
- Feedback - giving feedback through agreed channels when engagement activity is completed
- Timely - aiming to give enough notice to make opportunities available to all and taking into account those times when it is more appropriate to engage depending on the target audience.

Budget engagement activity for the 2022/23 budget will be in line with any Government advice relating to the COVID-19 Pandemic and comprise of

- providing clear information about the Financial Planning and Budget process in the Autumn edition of the Our North Tyneside magazine. This will include information about this engagement strategy and how people can have their say throughout the process including how to join the Residents Panel to do so.
- in November 2021, publishing information about Cabinet's initial budget proposals. This will be published online via the Council's website and at front line locations including the Community Conversation Corners in the four Customer First centres, where these are available. Feedback will be able to be provided by residents and others via a questionnaire either on-line or at these front-line locations. This will be supported by communications activity via posters in our Leisure Centres and Libraries, the media and social media to ensure that people know they can get involved in this way.
