2. Recommendations

- To note the information presented and identify key areas for the sub-group to focus on.

3. Details

- 3.1 At its meeting on 26 July 2021, Housing Sub-committee considered a report in relation to the formulation of its work programme for 2021/22. At this meeting it was agreed that a sub-group be established to look at anti-social behaviour. It was agreed that the membership of the sub-group would comprise Councillors Andy Newman, Muriel Green, John Hunter, Matthew Thirlaway and Ken Barrie.
- 3.2 Initial discussions in relation to the sub-group identified neighbourhood disputes as an area to focus on, particularly the rate in which they increased during lockdown.
- 3.3 In consultation with the Chair of the sub-committee, it was agreed that as a starting point and in order to narrow the focus of the sub-group, the sub-committee should receive a presentation which provides a general overview and update of anti-social behaviour in the borough, an outline of the remit of the Community Protection Team and details of how the authority works with partners to tackle anti-social behaviour in the borough.
- 3.4 The manager of the Community Protection Team has been invited to the meeting to present this overview to members.
