

Our North Tyneside Plan

2021 TO 2025 | BUILDING A BETTER NORTH TYNESIDE

THE OUR NORTH TYNESIDE COUNCIL PLAN OUTLINES A VISION OF BUILDING A BETTER NORTH TYNESIDE LOOKING TO THE FUTURE; AND LISTENING TO AND WORKING BETTER FOR RESIDENTS.

The plan features five themes that reflect your priorities aimed at creating a North Tyneside that is **thriving**, **family-friendly**, **caring**, **secure** and **green**. Each of these five themes has a clear set of policy priorities.

Through this plan we will build on our excellent track record of delivery over the past eight years and address the key challenges we now face as a result of the COVID-19 pandemic.

It is a plan to build a better North Tyneside and to restore hope and confidence in the future where we tackle inequalities and discrimination and ensure that no-one is left behind.

It is a plan for a thriving North Tyneside – with regeneration across the whole of the borough, more good quality jobs, apprenticeships and access to skills training, support for businesses and keeping our libraries and leisure centres open as part of a vibrant cultural offer.

It is a plan for a family-friendly North Tyneside – with high-quality education, outstanding children's services and making sure our kids have the very best start in life.

We will also be making sure we are a caring North Tyneside – with great care to everyone who needs it and support for our brilliant local community groups and the essential work they do.

It is a plan for a secure North Tyneside – tackling anti-social behaviour, investing in our roads and pavements, providing affordable homes and tackling food poverty.

And we look ahead to the very longer term – to protect our borough for generations long into the future with a green North Tyneside – increasing what can be recycled, cracking down on littering, improving ways for safe walking and cycling and planning how to make North Tyneside carbon net-zero by 2030.

This is our plan for North Tyneside but we know the council cannot deliver it all on its own. We work in partnership with our residents, our businesses, our community and voluntary sector and other key organisations such as the NHS, the police, fire and rescue services.
