#### **PART 1**

##### **1.1 Executive Summary:**

The Localism Act 2011 requires all local authorities to prepare and publish a Pay Policy Statement by 31 March each year. The Act requires the statement to be approved by full Council. The purpose of the Pay Policy Statement is to set out the Authority's policies on a range of pay matters relating to the workforce, including senior employees (known as Chief Officers).

The Pay Policy has not changed significantly during the last 12 months. The main change is to update the North Tyneside Council Living Wage as agreed by full Council on 26 November 2020. The pay multiple and the gender pay gap have been calculated as at 31 March 2021.

The Authority has a statutory duty to publish the Pay Policy Statement following the approval by full Council.

##### **1.2 Recommendation(s):**

It is recommended that Council approves the Pay Policy statement for 2022/23 and authorises publication of the Pay Policy.

##### **1.3 Forward Plan:**

Twenty-eight days' notice of this report has been given and it first appeared on the Forward Plan that was published on 7 January 2022.

##### **1.4 Council Plan and Policy Framework**

This report does not directly relate to the priorities in the 2021/25 Our North Tyneside Plan.

## **1.5 Information:**

### **1.5.1 Background**

1.5.2 The Localism Act 2011 requires all local authorities to prepare and publish a Pay Policy Statement. This statement must set out each authority's policies towards a range of issues relating to its workforce, particularly its senior posts (known as Chief Officers) and its lowest paid employees. Pay Policy statements must be prepared for each financial year, approved by full Council and then published.

### **What must be included in the Pay Policy Statement**

1.5.3 The Localism Act sets out what must be included in the Pay Policy Statement. In particular the statement must include:

- The Authority's definition of lowest paid employees and the reasons for adopting that definition,
- The policy on remuneration of its Chief Officers including remuneration at recruitment, how pay is increased, the use of performance related pay and bonuses, termination payments and transparency,
- The policy on remuneration of its lowest paid employees, and
- The relationship between the remuneration of senior posts and that of other employees.

In preparing the Pay Policy Statement the Authority must also have regard to the Guidance published by the Secretary of State under the Localism Act 2011.

1.5.4 The Pay Policy Statement attached at Appendix 1 follows the approach agreed by full Council in previous years. The statement complies with the requirements of the Localism Act 2011. It also takes account of the policies and processes that the Authority already has in place to manage decisions around recruitment, appointment and termination of Chief Officers and the publication of data on senior salaries to comply with the Transparency Code.

### **Member Involvement**

1.5.5 The Localism Act requires Members to take a greater role in determining pay by ensuring that decisions in relation to pay are taken by those directly accountable to local people. Along with the Transparency Code, the Act's provisions are in place to ensure that communities have access to the information they need to determine whether remuneration, particularly senior employee remuneration, is appropriate and commensurate with responsibility. In addition, the Act requires that policies on the pay and reward of the most senior employees are set clearly within the context of the pay of the wider workforce.

### **Accountability**

1.5.6 Pay Policy Statements and any amendments to them must be considered by a meeting of full Council and cannot be delegated to a committee or sub-committee. All decisions on pay and reward must comply with the current Pay Policy Statement.

## Transparency

- 1.5.7 The Pay Policy must include information on the Authority's approach to the remuneration of Chief Officers. Remuneration includes salary (for Chief Officers who are employed) or payment under a contract for services (for Chief Officers who are self-employed), expenses, bonuses, and performance-related pay as well as severance payments.
- 1.5.8 The Act does not require authorities to use their Pay Policy Statements to publish specific numerical data on pay and reward. However, the Authority does publish data under the Transparency Code as well as the Accounts and Audit (England) Regulations 2015. Authorities are asked in the Statutory Guidance to consider the opportunity this presents to put that data within the context of the Authority's agreed policies and to provide the public with clear justification of how their money is being used appropriately in the pay and reward of senior staff.

## Areas of change to the Pay Policy Statement for 2022/23

- 1.5.9 The following areas of the Pay Policy Statement for 2022/23 have been amended:
- The North Tyneside Living Wage agreed at full Council on 26 November 2020 is now updated to reflect the rate at April 2021
  - The median average salary has moved from £23,568 per annum to £25 770. The pay multiple when rounded is 1:6

## **1.6 Decision options:**

The following decision options are available for consideration by Council:

### Option 1

Approve the Pay Policy Statement for 2022/23

### Option 2

Not approve the Pay Policy Statement for 2022/23.

Option 1 is the recommended option.

## **1.7 Reasons for recommended option:**

Option 1 is recommended for the following reasons:

The proposed Pay Policy Statement is a representation of how the Authority manages its current pay decisions and complies with the requirements of the Localism Act 2011.

## **PART 2 – COMPLIANCE WITH PRINCIPLES OF DECISION MAKING**

### **2.1 Finance and other resources**

2.1.1 The Authority must ensure that what is agreed in its Pay Policy Statement is applied in practice and where there are financial thresholds these must be adhered to.

### **2.2 Legal**

2.2.1 The Localism Act 2011 requires a Pay Policy Statement to be prepared for each financial year and approved by the 31 March each year by the Authority and published. The full Council meeting has responsibility for approving the Pay Policy Statement.

Section 38 of the Localism Act 2011 sets out the matters that must be included in the Authority's Pay Policy Statement

### **2.3 Consultation/community engagement**

#### **2.3.1 Internal Consultation**

The relevant Cabinet Member and Elected Mayor and Senior Leadership Team have been briefed on the proposed Pay Policy Statement. The trades unions have also been consulted.

#### **2.3.2 External Consultation/Engagement**

The Pay Policy Statement is a description of what the Authority applies currently as part of its Constitution, and through HR policy and process. All have been through agreed consultation channels with managers and recognised trades unions.

As part of the requirements of the Localism Act any decisions on the pay and terms and conditions of employment of the workforce must be reflected in the annual pay policy statement. National agreements cover the pay and terms and conditions of employment of the workforce and any proposed changes to these agreements would be shared and consulted on with the trades unions as part of an ongoing dialogue to comply with appropriate legal obligations on consultation.

## **2.4 Human rights**

The proposals in this report support the Authority's adherence to the principles set out in the Human Rights Act.

## **2.5 Equalities and diversity**

2.5.1 The Localism Act 2011 requires a Pay Policy Statement to be prepared for each financial year and defines the areas to be covered in the statement. The pay scale for Green Book employees is set a national level by a collective agreement and implemented locally through agreement at full Council.

2.5.2 The proposals in this report support the Authority's approach to equality and diversity. The Authority's pay and grading structures are underpinned by job evaluation schemes, the outcomes of which have been subject to an equality impact assessment.

2.5.3 The use of a job evaluation scheme provides a systematic way of comparing and assessing individual jobs in an objective way to make sure that there is a fair and equal pay system in place which does not discriminate between male and female employees.

2.5.4 The North Tyneside Council Living Wage was agreed at full Council in November 2020 to. Tackling low pay continues to be a priority for the Authority and measures have been implemented to support this over recent years. An equality impact assessment was undertaken for this at the time.

## **2.6 Risk management**

2.6.1 The Proposals in Pay Policy Statement reflect the application of the Authority's job evaluation schemes and pay and grading structures. Any deviation from this could destabilise the pay and grading structure leading to inconsistencies and a risk of further equal pay claims against the Authority.

2.6.2 Risks around pay and grading are managed through corporate risk management responsibilities.

## **2.7 Crime and disorder**

The proposals in this report do not relate to crime and disorder.

## **2.8 Environment and sustainability**

There are no environmental and sustainability implications arising directly from this report.
