<p><b>General and Specific Delegations currently authorised to the Director of Environment, Housing and Leisure (Delegations EHL1 – EHL245 in the Officer Delegation Scheme, Version 18)</b></p>	<p>Please see appendix attached</p>	<p>The wording of the delegations in the existing Officer Delegation Scheme is unchanged. However as the post of Director of Environment, Housing and Leisure no longer exists, it is proposed that the delegations are allocated across those Director posts in the structure which are now taking on responsibility for functions previously discharged by the former Director: EHL role. Where the term ‘Director: EHL’ was stated within the wording of the delegation itself, it is proposed that this is changed in line with the reallocations proposed.</p>
	<p><b>Reason for proposed change:</b></p> <p>The wording of existing delegations in Version 18 of the Officer Delegation Scheme (September 2021) is unchanged. The reallocation proposed reflects alterations which have occurred to the Chief Officer structure in 2022 and in particular, that the role of Director: Environment, Housing and Leisure no longer exists within the Authority with the duties of that post instead having been allocated across a range of other Director roles as detailed in the appendix.</p>
