1.5 Information:

1.5.1 Background

The North Tyneside Council Statement of Licensing Policy (Sex Establishments) was first adopted on 20 January 2011 following the formal adoption by the Authority of Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 and the policy has been regularly reviewed thereafter.

In 2010 the Local Government (Miscellaneous Provisions) Act 1982 ('the Act') was amended to include a new category of sex establishment, namely a sexual entertainment venue. The Council adopted Schedule 3 of the 1982 Act in 2011 to enable the Authority to license sexual entertainment venues as well as the existing categories of sex establishments, namely sex shops and sex cinemas.

Although there is no statutory requirement to have a policy concerning the licensing of sex establishments, it has been long established that it is good practice for Licensing Authorities to adopt various non-statutory policies that assists in the promotion of decision making and the promotion of consistency in decision-making. It also informs the licensing trade and the public of the approach of the Licensing Authority to sex establishment licensing in its area.

The existing policy includes a numerical limit on the number of sexual entertainment venues within a specified area of Whitley Bay, namely the area bordered by Whitley Road, Park Avenue, the Promenade and the Esplanade. That limit has been set as nil. That limit does not preclude an application for a licence being made within the specified area that would take the number of licences in the area above the set limit. However, in such a situation the presumption will be to refuse such an application and the applicant will have to make their case as to why the licence should be granted in any particular location contrary to the policy which has set the limit in that area as nil.

As part of the engagement exercise the views of the public and trade will be sought in relation to whether or not this numerical limit should remain at nil, is amended or removed altogether.

There are some statutory exceptions for the need for sexual entertainment venues to be licensed. For example if sexual entertainment takes place in a premises that has the benefit of a Premises Licence issued under the Licensing Act 2003 on no more than 11 occasions in a 12 month period and no such occasion lasts for more than 24 hours, and there is a month between each occasion, no sexual entertainment licence is required by that premises.

1.5.2 Existing licenses in North Tyneside

Since Schedule 3 was adopted by the Authority, there have been no applications received for a sexual entertainment venue licence. There are no licences currently issued in relation to sex shops or sex cinemas.

1.5.3 Review of licensing policy and public engagement

A draft Statement of Licensing Policy has been prepared and is attached at Appendix 1. The numerical limit of nil for the specified area of Whitley Bay has been retained for the purposes of the draft policy and consultees will be specifically asked to comment on this aspect of the Policy.

An engagement period of six weeks from 10 October to 18 November 2022 will enable responses to be received from those wishing to comment on the draft Policy. The consultation responses will be reported back to Cabinet at the conclusion of the consultation exercise.

The draft Policy has been updated to include the following:

- Updated references to Council Plan
- Reference to Public Sector Equality Duty
- Need for Basic Disclosure Certificate for applicants
- Safeguarding training for applicants.

1.5.4 Fees

The fees are reviewed annually against any rise or reduction in the cost of administering the licensing regime.

1.6 **Decision Options:**

The following decision options are available for consideration by Cabinet:

Option 1

Cabinet approves the recommendations at paragraph 1.2 of this report.

Option 2

Cabinet does not approve the recommendations at paragraph 1.2 of this report.

Option 3

To instruct officers to make amendments to the Policy and to bring a further report to Cabinet for it to consider those amendments before consultation commences.

Option 1 is the recommended option.

1.7 Reasons for Recommended option:

Option 1 is recommended to ensure that the existing Policy is updated and remains transparent, accountable, proportionate and consistent.

PART 2 – COMPLIANCE WITH PRINCIPLES OF DECISION MAKING

2.1 Finance and Other Resources:

There are no financial implications directly arising from the report. The costs of preparing the revised Licensing Policy and the associated consultation arrangements can be met from existing revenue budgets.

2.2 Legal:

Section 27 of the Policing and Crime Act 2009 came into force on 6 April 2010. This amended Schedule 3 of the 1982 Act and created a new category of sex establishment, namely sexual entertainment venues in addition to the existing two categories of sex establishments, namely, sex shops and sex cinemas.

Whereas the actual determination of an application for a Licence under the Local Government (Miscellaneous Provisions) Act 1982 is a Council function, the function of formulating and adopting a Licensing Policy in relation to this type of licensing is a Cabinet function because neither the Act nor the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 preclude Cabinet from approving such a Policy.

The Authority has the power under the 1982 Act to prescribe standard conditions that will apply to each type of licence. It will be for the Regulation and Review Committee to

determine whether all or some of those conditions should apply to any individual application for a licence that may be received.

It is for the Authority to determine the appropriate period of time to consult on the draft Policy. A 6 week period of consultation is an appropriate period of time to consult given the limited number of proposed changes to be made to the Policy.

2.3 Consultation/Community Engagement:

2.3.1 Internal Consultation

Internal consultation will take place with the Cabinet Members, Members and service areas.

2.3.2 External Consultation

As outlined in section 1.5.3 of the report, an engagement process will commence to allow the Policy to be updated. An online response form will be available for respondees to make consultation responses as well as written responses.

2.4 Human Rights:

There are aspects of the administration of licences that may impact on the human rights of individuals residing in the Borough and licence holders. Article 8 of the European Convention of Human Rights entitles a person to the right to enjoy a private and family life.

Article 6 of the European Convention also entitles an individual to a fair hearing. Any individual appearing before a Regulation and Review Panel will be given an opportunity to express their views.

Article 1 of the First Protocol entitles a person to the peaceful enjoyment of his possessions. A possession may include the goodwill that such a Licence would generate. However, balanced against that is the ability of the Licensing Authority to enforce such laws under the Act as is necessary to control the use of such property, including a licence.

2.5 Equalities and Diversity:

The Policy has been drafted having regard to the Authority's Public Sector Equality Duty. An Equality Impact Assessment has been undertaken in relation to the formulation of the Policy and to inform the consultation process. The Assessment has been updated to assess the potential impact of the Policy. The consultation process will be undertaken to ensure that all persons, groups and organisations will have an opportunity to participate, including those with protected characteristics. Individual decisions taken under the Policy will also have to be taken having regard to the Public Sector Equality Duty.

2.6 Risk Management:

There are no risk management implications directly arising from this report. Risks associated with delivery of the Authority's Public Protection function are monitored via the Public Health and Regeneration and Economic Development risk arrangements.

2.7 Crime and Disorder:

A copy of an application for the grant, renewal or transfer of a licence under Schedule 3 of the 1982 Act has to be forwarded to the Chief Officer of Police within 7 days of the application being made. The police will therefore have the opportunity to scrutinise each application and to object if they have concerns from a crime and disorder point of view within 28 days of the application being made. All objections received by the Authority must be considered before determining an application.

2.8 Environment and Sustainability:

There are no environmental or sustainability issues arising directly from this report.
