PART 1

1.1 Executive Summary:

The Chief Executive has received a request for a dispensation to be considered in respect of Councillor Muriel Green, under Section 85(1) of the Local Government Act 1972, based on medical grounds. This report recommends that full Council agrees such a dispensation for Councillor Green for a period up to and including 7 May 2023.

1.2 Recommendation(s):

It is recommended that Council:

(1) Agrees a grant of dispensation for Councillor Muriel Green pursuant to Section 85(1) of the Local Government Act 1972, for a period up to and including 7 May 2023, and approves Councillor Green's non-attendance at meetings of the Authority in that period on medical grounds; and

(2) Agrees that the best wishes of the Council are conveyed to Councillor Green at this time.

1.3 Forward Plan:

Twenty eight days notice of this report has been given and it first appeared on the Forward Plan that was published on 25 August 2022.

1.4 Council Plan and Policy Framework

This report does not align directly to any of the priorities in the Council Plan, but is required to ensure compliance with the relevant legislation (Local Government Act 1972) in relation to a request for a dispensation which has been received.

1.5 Information:

Background

- 1.5.1 Section 85(1) of the Local Government Act 1972 requires each elected member of a local authority to attend at least one meeting of the authority within a six month consecutive period, in order to continue as an elected member of that authority. Should an elected member fail throughout a period of six consecutive months from the date of his or her last attendance to attend any meeting of the authority, he or she shall (unless the failure was due to some reason approved by the authority before the expiry of that period) cease to be a member of the authority.
- 1.5.2 Under this legislation the authority is able to approve a period of non-attendance for an elected member where there are reasons for so doing. This approval must be granted by the authority before the expiry of the six month consecutive period since the elected member's last attendance at any meeting of the authority, in order to ensure that the elected member in question does not cease to be a member of the authority. Approval cannot be conferred retrospectively, and must be agreed within the six month period since the member's last attendance at a meeting.
- 1.5.3 Councillor Muriel Green (one of three councillors representing Weetslade ward) has unfortunately had a period of ill-health and due to medical reasons was last able to attend a meeting of the authority on 19 May 2022 (Annual Council).
- 1.5.4 The Chief Executive has received a request for Council to consider approving an extension to the usual six month attendance rule for Councillor Green, enabling Councillor Green to remain in office until she is able to resume normal duties.
- 1.5.5 Council can only consider this request before the end of the relevant six month period, i.e. by 18 November 2022.
- 1.5.6 Accordingly, the meeting of full Council on 22 September 2022 is the last scheduled Council meeting within the six month period at which approval can be sought for an extension of the time limit for non-attendance at meetings of the Authority. If approval to any extension is not therefore agreed at this meeting, Councillor Green would, under Section 85(1) of the Local Government Act 1972, cease office as a North Tyneside Councillor after 18 November 2022.
- 1.5.7 It is therefore recommended that further to the request made to the Chief Executive, Council approves a grant of dispensation for Councillor Green pursuant to Section 85(1) of the Local Government Act 1972, for a period up to and including 7 May 2023 (the last day of Councillor Green's current term of office), on medical grounds. This would not prevent Councillor Green from returning to meetings at any time before that date should her health allow.

1.6 Decision options:

The following decision options are available for consideration by Council:

Option 1

Council agrees to approve a dispensation on medical grounds under Section 85(1) of the Local Government Act 1972 for Councillor Green, approving Councillor Green's non-attendance at meetings of the Authority for a period up to and including the last day of Councillor Green's current term of office (7 May 2023).

Option 2

Council does not agree to grant such a dispensation to Councillor Green for non-attendance at meetings of the Authority.

Option 1 is the recommended option.

1.7 Reasons for recommended option:

Option 1 is recommended for the following reasons:

- (a) It is considered that Councillor Green's reasons for being unable to attend a meeting of the Authority at the current time are entirely valid and proper, relating to medical grounds. The recommendations set out in this report seek to manage the specific circumstances which have arisen in a fair way, and ensure compliance with the requirements of the above-referenced legislation
- (b) Agreement to a dispensation as outlined above would cease the automatic consequence of the legislation (i.e. Councillor Green ceasing to be a councillor after 18 November 2022), should for medical reasons Councillor Green not be able to attend a meeting of the Authority on or before 18 November 2022
- (c) Should Council decide not to approve a dispensation for Councillor Green, she would cease to be a member of the Authority after 18 November 2022 and a vacancy would arise on the Council's membership.

1.10 Background information:

PART 2 – COMPLIANCE WITH PRINCIPLES OF DECISION MAKING

2.1 Finance and other resources

There are no direct financial implications to the proposals set out in this report. Agreement of the recommendations would not incur any additional costs to the authority.

2.2 Legal

The requirements of Section 85 of the Local Government Act 1972 are set out in the main body of this report.

2.3 Consultation/community engagement

The request for a dispensation for the elected member has been discussed with the member's Group Leader, who is supportive of the proposal.

2.4 Human rights

There are no specific human rights implications arising from this report.

2.5 Equalities and diversity

There are no specific equalities and diversity implications arising from this report.

2.6 Risk management

Should the dispensation as set out in this report be agreed, the elected member's ward councillor duties will continue to be undertaken by her fellow Weetslade councillors. The Committees to which the elected member has been appointed in 2022/23 have sufficient members to ensure that business can continue to be discharged during the temporary absence of one member.

Should the elected member lose office, through failure to attend for a six month period, the disqualification cannot be overcome by the member subsequently resuming attendance nor can retrospective approval be sought for an extension in time. This would result in a vacancy on the Council which may result in attendant administration and cost.

2.7 Crime and disorder

There are no crime and disorder implications arising from this report.

2.8 Environment and sustainability

There are no environment and sustainability implications arising from this report.
